To Whom It may Concern

Certified that Sri Tapan Kumar Chattopadhyay, Assistant Teacher of Kulai High School, Burdwan, is a Ph.D student of mine. He worked under my supervision for a little over eleven (11) years.

I am happy to forward his thesis 'संस्कृत साहित्ये भाग' for submission for the Ph.D Degree (Arts) in Sanskrit, of the University of Burdwan.

I further add that he has fulfilled all the requirements according to the relevant rules of the University of Burdwan, regarding both the methods of investigation and findings on which his thesis is primarily based. Neither this thesis nor any part of it has been submitted before anywhere for any degree or diploma whatsoever either by Sri Chattopadhyay or anyone else.

I wish his success in life.
