

List of Plates

Plate- 2.P1:	Impact of Cadmium on cowpea.-----	83
Plate- 2.P2:	Impact of Cadmium on bhindi. -----	83
Plate- 2.P3:	Impact of Lead on cowpea. -----	84
Plate- 2.P4:	Impact of Lead on bhindi. -----	84
Plate- 2.P5:	Impact of Manganese on cowpea.-----	85
Plate- 2.P6:	Impact of Manganese on bhindi. -----	85
Plate- 2.P7:	Regions of micrometrical measurements of anatomical parameters -----	93
Plate- 3.4.P1:	Impact of Cd on the anatomical variations of cowpea root - 20 th day. -----	129
Plate- 3.4.P2:	Impact of Cd on the anatomical variations of cowpea stem - 20 th day.-----	135
Plate- 3.4.P3:	Impact of Cd on the anatomical variations of cowpea root - 40 th day. -----	139
Plate- 3.4.P4:	Impact of Cd on the anatomical variations of cowpea stem - 40 th day. -----	143
Plate- 4.4.P1:	Impact of Cd on the anatomical variations of bhindi root - 20 th day. -----	181
Plate- 4.4.P2:	Impact of Cd on the anatomical variations of bhindi stem- 20 th day. -----	185
Plate- 4.4.P3:	Impact of Cd on the anatomical variations of bhindi root - 40 th day. -----	191
Plate- 4.4.P4:	Impact of Cd on the anatomical variations of bhindi stem- 40 th day. -----	197
Plate- 5.4.P1:	Impact of Pb on the anatomical variations of cowpea root - 20 th day. -----	229
Plate- 5.4.P2:	Impact of Pb on the anatomical variations of cowpea stem - 20 th day. -----	233
Plate- 6.4.P1:	Impact of Pb on the anatomical variations of bhindi root - 20 th day. -----	275

Plate- 6.4.P2: Impact of Pb on the anatomical variations of bhindi stem - 20 th day. -----	281
Plate- 6.4.P3: Impact of Pb on the anatomical variations of bhindi root - 40 th day. -----	287
Plate- 6.4.P4: Impact of Pb on the anatomical variations of bhindi stem - 40 th day. -----	291
Plate- 7.5.P1: Impact of Mn on the anatomical variations of cowpea root - 20 th day. -----	339
Plate-7.5.P2: Impact of Mn on the anatomical variations of cowpea stem - 20 th day. -----	345
Plate- 8.4.P1: Impact of Mn on the anatomical variations of bhindi root - 20 th day. -----	381
Plate- 8.4.P2: Impact of Mn on the anatomical variations of bhindi stem - 20 th day. -----	385
Plate -8.4.P3: Impact of Mn on the anatomical variations of bhindi root - 40 th day. -----	391
Plate- 8.4.P4: Impact of Mn on the anatomical variations of bhindi stem - 40 th day. -----	397
