“The single greatest cause of happiness is gratitude” ...........

My journey started in the year 2012 and experiences were amazing from the very first day. I would like to express my sincere gratitude to all the people for being always there to show me the right path. This would not have possible without the support of and guidance of many people.

From the day I started my journey, I always had a mentor to guide me throughout all these years. Thank you Dr. Binitha N N, our beloved teacher, for being such a wonderful person and you were truly a source of inspiration for me!! I cherish the time we spent together in our research lab.

I thank Kerala State Council for Science Technology and Environment (KSCSTE Trivandrum) for providing all the financial supports for the successful completion of this.

My sincere thanks to the University of Calicut for providing the recognition to college and this has given us a right platform to develop our professional career. I was fortunate to be part of the first batch of Ph.D. chemistry in in the SNGS College, a college which has produced many great people in the past. I thank everyone who played an important role in getting the recognition as research centre to our college. We are sure this will change the future of lot many people in the coming days. It was indeed a privilege to be one among them. I thank all the members of the Chemistry Department in the SNGS College for their support.

I would like to thank Dr. P Ravindran and Dr. N K Renuka they were members of our Doctorate committee and their expertise, guidance and
feedback has been valuable input for this Journey. They made available their support in a number of ways despite their busy schedules.

I thank Divya, Sabarish, Faisal, Nikesh, Anila, Sudhiyettan, Vimal, Muthukumar, Mujeeb, Sudheesh, Riyas, Kashmiri, Krishnakumar, Nandakumar and Jafar for their support on various occasions including the administrative, academic and technical supports. My special thanks to Mr. Varghese, Dr. Shibu, Dr. Adarsh, Mr. Suresh, Ms. Elakiya Dr. Zahira Yakoob, Dr. S Sugunan and Mr. Vivek Dhole. I remember Dr. Sailas Benjamin; his memories will be with me in my hearts forever.

I thank my dear friends in the chemistry research labs, Divya chechi, Vinu, Silija chechi, Sowmya, Vijayasree, Shaniba chechi, Rajeena, Deepthi, Sreeja, Akbar for all the supports and helps they have given throughout these five years.

Finally, my deep and sincere gratitude to my family for their continuous love, help and support. I am grateful to my husband for always being there for me as a friend. I am forever indebted to my parents for giving me the opportunities and experiences and they encouraged me to explore new directions in life and seek my own destiny. This journey would not have been possible otherwise and I dedicate this milestone to them.
