

Acknowledgement

I express my deep sense of gratitude to Dr. Sanjeev Kumar Sinha, M.Sc. Ph.D Associate Professor in Department of chemistry, Jharkhand Rai University, under whose constant and affectionate guidance and supervision the present research work has been completed.

I am exceptionally thankful to my other supervisor to Dr. Samir Kumar Pandey, Assistant Professor at XIPT, Ranchi.

I gratefully acknowledge Dr. Savita Sengar, Vice-Chancellor, Jharkhand Rai University, Mr. Cherian Jacob, Registrar and Dr. Piyush Ranjan, Dean Academics, Jharkhand Rai University.

I am thankful to all the Faculty members and staffs of Jharkhand Rai University, particularly to Madam Shiny T.C, Dean Admission, Prof. Leena Shrivastava, H.O.D, department of Commerce & Management, Prof. Shraddha Prasad and Prof Vedprakash for their helpful Suggestions to complete this work.

I am very much thankful to Mr. P.K Sinha, Sr. Manager, Engg. & Projects. Tata Steel Ltd. and Mr. Navnit Kumar Sinha, Asst. Div. Manager, Finishing & Despatch, JCAPCPL (A Joint Venture of Tata Steel Ltd. & NSSMC Ltd.) for their kind support and valuable suggestions during my Tata Steel, site visit and data collections.

I feel extremely grateful for the strong and selfless support from my parents Er. Vijay Kumar Sinha and Mrs. Vidya Sinha, my dear brother Er. Vishal Kumar Sinha and Sisters Vandana Sinha, Vinita Sinha and Deepika Srivastava.

I am thankful to my father in-law Sri Gopaljee Sahay & Mother in-Law Mrs.Madhubala Sahay for their heartiest support.

I am always thankful to my wife Tulika Sinha for her moral support and patience during my study and special thanks to my loving kids Shambhavi, Adrika, Akshara, Advik and Aarav for their smiley patience with me.

Finally, I pray God for giving me the mental strength and inspiration to complete my work in time and to get fresh insights and encouragement for future.

Vikas Kumar Sinha
