

ACKNOWLEDGEMENT

In this thesis, I have presented the research work done during my doctoral degree. I am grateful to many institutions and individuals, completing this thesis would not have been possible without their help, support and encouragement. Thus, I would like to take this opportunity to express my gratitude to them.

First and foremost, I would like to thank my research guide Dr. J. Shivarama, Assistant Professor, Centre for Library and Information Management Studies for his continuous support, dedication and encouragement. Before we got to know each other, I had never really thought about doing a Ph.D. His trust in my capabilities made me to consider it seriously. I am grateful to him for giving me the opportunity to start working as a Ph.D. student, and I want to thank him for his enthusiasm and innovative ideas. He has been an important source of motivation and inspiration to me. I also want to thank Prof. (Dr.) Muttaya Koganurmath for his ongoing commitment after he move to the Central University of Gujrat. He was ever-ready willing to guide me when it mattered the most.

I would like to extend my wholehearted special thank and gratitude to my Doctoral Advisory Committee, Dr. B.S. Kademani , Scientific Officer G, SIRD, BARC, Mumbai and Dr. Mallikarjurn Angadi, Chairperson, CLIMS, TISS and Deputy Librarian, Sir Dorabji Tata Memorial Library, TISS for helping and advising me throughout my study by giving constructive feedback and comments on my work. My special thanks goes to Prof. Dr. Anil Sutar, Professor and Associate Dean, School of Research Methodology, TISS, for enlightening me on the development of research methodology adopted for the study.

I feel extremely fortunate that being in service I got an opportunity to pursue my doctoral research. For this, I am indebted to my previous employer PSS Central Institute of Vocational Education, (a Constituent of NCERT, New Delhi, under MHRD, GOI) and the former Joint Director, Prof. (Dr.) R.B. Shivagunde, from where I get stimulated to pursue doctoral research and my present employer School of Planning and Architecture,

New Delhi, (Institution of National Importance under an Act of Parliament, MHRD, Govt. of India) and the former director Prof. Chetan Vaidya for encouraging me to complete my study despite my working obligations.

I am also very grateful and thankful to all the Faculty and Library Staff members of Centre for Library and Information Management Studies.

During the entire study period, Dr. Rakesh Kumar, Librarian, National Academy of Broadcasting Multimedia, Prasar Bharti, Govt. of India, have encouraged me to complete the work successfully, without him I could not have been completed this thesis, so I am thankful to him from the bottom of my heart.

Last but not the least, all my family members, Shri Shish Pal Singh (Father), Smt. Champa Devi (Mother), Smt. Renu Kumari (Wife), Master Kushaagra Singh (Son), Shri Amit Kumar (Brother) deserve special thanks for the inconvenience occurred due to my study and undergoing needless inconvenience because of my involvement in research for a long duration.

Dr. Sunita Singh (Sister) and Dr. Amarjeet Singh (Brother in law) deserve a special mention here for rendering their help during data analysis and sacrificing their quality time for my research work and I am beholden to them and just cannot repay them their loss.

ASHOK KUMAR
