ACKNOWLEDGEMENT
ACKNOWLEDGEMENT

I would like to express my gratitude to the University of Madras for having given me the golden opportunity of pursuing M.Phil. Degree Course in Commerce on full time basis at the P.G.Extension Centre, Salem.

I wish to express my sincere gratitude and heartfelt thanks to my guide Dr. N. VINAYAKAM, M.Com., Ph.D., Professor and Head, Department of Commerce, Madras University, P.G. Extension Centre, Salem, who had spared much of his precious time for discussion in finalising this study. I am extremely thankful to him for his benign kindness, qualities of a mentor which acted as a great fillip to me to pursue the present research project. My respectable Guide has inspired me to develop the ideas on original lines and guided with his new approach and valuable suggestions which have helped me greatly in completing the dissertation within the time schedule in the present form.

My thanks are also due to Dr. S. SHANMUGSUNDARAM, M.Com., Ph.D., Professor of Commerce, Madras University, P.G. Extension Centre, Salem, for the help and encouragement extended to me.

I am very much obliged to the staff and all the research scholars in the Department of Commerce, Madras University, P.G. Extension Centre, Salem for their encouragement and help extended to me.
I extend my heartfelt and sincere thanks to the Director of Rural Development, Madras, who furnished all the required data and library materials for the present study.

I also express my sincere thanks to the officials and staff members of DRDA at Salem, for the help rendered to me for the collection of the required data and other statistical materials for all the 35 Blocks in Salem District.

I thank all the top officials and staff members of Indian Bank, State Bank of India, Canara Bank, Primary Agricultural Co-op. Bank, Catholic Syrian Bank in Salem District for having given me necessary permission for collection of data needed for the completion of the present research work.

I also thank all the top officials and staff members of the various training institutions and to all the TRYSEM beneficiaries for having provided me the necessary data and information relating to the present study.

I express my special thanks to Sri R.SANKARANARAYANAN, M.Com.,B.L., for his untiring help in computerising this voluminous work and bring out this dissertation in the present form in a record time.

I am indebted to my parents and other members of the family for their help and encouragement in the successful completion of the present research study.
