ACKNOWLEDGEMENTS

Formidable is the task of adequately expressing one’s emotions in words because then emotion are transferred into a more formality but formalities have to be completed, my acknowledgements are many times more than what I am expressing here.

I feel honoured to extend my grateful thanks to my Chairman of my Advisory Committee and Research Guide Dr. V. S. Panchbhai, M.V.Sc., Ph.D., F.I.S.V.S., Professor and Head, Department of Surgery and Radiology, Nagpur Veterinary College, M.A.F.S.U, Nagpur for suggesting the problem, sponsoring valuable guidance and suggestions, constant encouragement, eminent advice, kind co-operation and moral support throughout my research work.

I am deeply indebted to Dr. S. N. Patil, M.V.Sc., Ph.D., Professor, Department of Surgery and Radiology, Nagpur Veterinary College, Nagpur and honourable member of Advisory Committee for his abiding interest, guidance and valuable suggestions, inspiration and help during the research work.

I am thankful to Dr. D. R. Kalorey, Professor and Head of Microbiology and Member of Advisory Committee, Department of Microbiology, Nagpur Veterinary College, Nagpur for their kind co-operation and suggestions during research work. I express my sincere thanks to Dr. M. D. Kothekar, Professor of Animal Genetics and Breeding, Nagpur Veterinary College, Nagpur for the necessary help during research work.

I extend my sincere thanks to Dr. N. P. Dakshinkar, M.V.Sc., Ph.D., Professor of Medicine and member of Advisory Committee, Department of Medicine, Nagpur Veterinary College, Nagpur for their kind co-operation and suggestions during the entire period of research work.

It gives me great pleasure pride and privilege to quote heartily indebtedness with deep sense of gratitude and respect to my beloved ‘Guru’ Dr. P. E. Kulkarni, M.V.Sc., Ph.D., F.R.V.A.C., F.I.S.V.S., Ex-Dean, Faculty of Veterinary Science, Dr. P.D.K.V. Akola for his guidance studded with knowledge, timely suggestions, constructive criticism and constant encouragement during my
research work. I feel extremely honoured for the opportunity bestowed upon me to
remain ever grateful to him for broad outlook and generosity of mind.

I express my deep sense to his esteemed and profound sense of gratitude to
**Dr. B. P. Dandge**, M.V.Sc., Ph.D., Associate Dean, Nagpur Veterinary College,
