Acknowledgements

Every milestone cannot reach without the acts of assistance, consultation, words of encouragement and gesture of helpfulness from beloved and respected one.

This study of mine is no exception. I would like to avail this opportunity to be grateful to those who have given me the emotional as well as moral support. In fact acknowledgement is just a formality, the words lack to express my feeling to all who helped to mould this work.

First and the foremost, I express my esteem and profound sense of gratitude to my reverend Guide-cum-Chairman Advisory Committee Dr. S. C. Vhora, Retired Professor and Head of Department, Department of Animal Reproduction, Gynaecology and Obstetrics, Nagpur Veterinary College, Nagpur, M.A.F.S.U., Nagpur for his able, talented and inspiring guidance, constant encouragement, constructive criticism, ceaseless help in suggesting the problem and execution of this investigation and time to time co-operation in all respect encouraged me to complete this job with great zeal and enthusiasm. It is my profound privilege to work under the guidance of him.

It was great honor for the guidance of Dr. M. S. Kadu, Retd. Dean, Post Graduate Institute of Veterinary and Animal Science., Akola for suggesting the research area, sponsoring valuable guidance and suggestions, constant encouragement, eminent advice, his powerful thoughts, creative skills and burning desires to positive change constantly keep my creative urge alive. I believe his keen sense of questioning and analyzing mind, enthusiastic fervor and tenacious spirit had given me the extra edge.

I wish to express my gratitude to those who generously helped me colour the mosaic of this research work with the tiles of their knowledge, expertise and timely suggestions. My grateful thanks go to my Advisory Committee members Dr. D. R. Kalorey, Professor and Head, Department of Microbiology, Dr. N. P. Dakshinkar, Professor and Head, Department of Clinical Medicine and Superintendent, TVCSC, Nagpur Veterinary College, Nagpur and Dr. N.V. Kurkure, Associate Professor, Department of Pathology, Nagpur.
Veterinary College, Nagpur for their support, encouragement, timely co-operation and valuable suggestions.

I express my deep sense of gratitude to Dr. B. P. Dandge, Associate Dean, Nagpur Veterinary College, Nagpur for providing all the necessary facilities and encouragement for carrying out this work.

I devote my sincere thanks to Dr. A. S. Ninawe, Hon'ble Vice-Chancellor, Maharashtra Animal and Fishery Sciences University, Nagpur and Dr. S. G. Narayankhedkar, Dean, Faculty of Veterinary Science, Maharashtra Animal and Fishery Sciences University, Nagpur for granting me the permission to carry out the research work.

I extend my gracious thanks to my friend Dr. Ajay Gawande, Assistant Professor, Department of Animal Reproduction, Nagpur Veterinary College, Nagpur for his humble co-operation and timely help during the course of research work.

My sincere thanks are due to Dr. R. L. Dhoble, University Head, Department of Animal Reproduction, Gynaecology and Obstetrics and present Director of Research, Maharashtra Animal and Fishery Sciences University, Nagpur for constant encouragement and his kind cooperation and suggestions during the entire period of research work.

I would like to express my deep sense of obligation to Dr. Gampawar, Professor and Head and all staff members in the department of Dairy Science, Agriculture College, Nagpur, Dr. Gautam Bhojne, Dr. Nitin Fuke then Farm Superintendent, C.B.F., Nagpur Veterinary College, Nagpur and Gorakshan Sanstha, Rahate Colony, Nagpur for extending their kind cooperation in providing me the input, the cases for my research work.

I express my sincere thanks to Dr. D. B. Sarode, Dean, Lower Education Maharashtra Animal and Fishery Sciences University, Nagpur, Dr. G. B. Shrikhande, Associate Professor and Dr. A. M. Rode, Associate Professor, Department of Medicine, Nagpur Veterinary College, Nagpur and Dr. V. S. Panchbhai, Professor and head, Dr. S. N. Patil, Associate Professor, Dr. M. S. Dhakate, Associate Professor and Dr. B. M. Gahlod Assistant Professor, Department of Surgery and Radiology, Dr. A.G. Bhandarkar, Professor and Head Department of Pathology, Dr. A. W. Deshmukh, Retd. Professor of Gynaecology,
Dr. B.R. Kolte, Professor, Livestock Production and Management and Dr. A. D. Deshmukh, Deputy Registrar, Maharashtra Animal and Fishery Sciences University, Nagpur for encouraging me during the course of this research work.

I would like to express my grateful thanks for the help and advice given to me by my beloved friends Dr. S. V. Upadhye, Dr. Vinod Dhoot, Dr. Sunjay Banubakode, Dr. R. K. Ambadkar, Dr. S. B. Kawitkar, Dr. S. W. Kolte, Dr. Shankhpal, Prof. S. N. Gawande, University Librarian, without the encouragement and cooperation from them, this work might have remained just a dream.

I express my sincere thanks to Dr. P. T. Jadhav, Controller of Examination and Prof. D. K. Wankhede, Technical Officer, Maharashtra Animal and Fishery Sciences University, Nagpur for encouraging me during the course of this research work.

My thanks are due to Dr. Utage, Dr. Layeeque Khan, Dr. Ajay Deshmukh, Dr. Priti Sirsat, Dr. Pravin Wankhade, and Dr. Bharti Raut for their help in carrying out the research work smoothly.

Words are limited to express sincere thanks to Mrs. Vhora for offering hospitality and sincere cooperation to the author for performing study diligently.

I thank Shri. Kalwe for helping me in preparation of the illustrations and graphs. My thank goes to Shri. Punjab Sonekar, Shri. Nage, and late Shri. Krishna Sahare the staff of Department of Animal Reproduction, Nagpur Veterinary College, Nagpur.

The author owes his sincere thanks to his wife Sau. Deepali Raghuwanshi and loving son Shantanu for their forbearance sacrifice, utmost cooperation, immense tolerance and shouldering all domestic responsibilities during the entire period of study.

Above all I vow to “Almighty God” whose blessings gave me strength and emotional support to make this successful venture.

Place: Nagpur
