LIST OF TABLES

Table No.	Title	Page No.
1.1	Literacy rate in India	8
4.1.1	Land use pattern of wet land	80
4.1.2	Land use pattern of dry land	82
4.1.3	Land use pattern of garden land	84
4.1.4	Land use pattern of total land	85
4.1.5	Landholding structure of the respondents	87
4.2.1	Age wise distribution of the respondents	88
4.2.2	Sex wise distribution of the respondents	91
4.2.3	Community wise distribution of the respondents	92
4.2.4	Distribution of the respondents by sub caste	95
4.2.5	Marital status of sample population	98
4.2.6	Primary occupation of the respondent households	100
4.2.7	Population details of the sample households	102
4.2.8	Distribution of the respondents by family size	103
4.2.9	Educational status of the sample households' population	105
4.2.10	Housing conditions of the sample respondents	107
4.2.11	Source wise gross income of the respondents household	109
5.1.1	OLS estimates of factors determining income from knowledge for low population group	112
5.1.2	OLS estimates of factors determining income from knowledge for medium population group	114
5.1.3	OLS estimates of factors determining income from knowledge for high population group	116
5.1.4	OLS estimates of factors determining income from knowledge for all the three groups	118

5.2.1	OLS estimates of factors determining income from skills for low population group	120
5.2.2	OLS estimates of factors determining income from skills for medium population group	122
5.2.3	OLS estimates of factors determining income from skills for high population group	124
5.2.4	OLS estimates of factors determining income from skills for all the three groups	126
5.3.1	OLS estimates of factors determining income from economic activities for low population group	128
5.3.2	OLS estimates of factors determining income from economic activities for medium population group	130
5.3.3	OLS estimates of factors determining income from economic activities for high population group	132
5.3.4	OLS estimates of factors determining income from economic activities for all the three groups	133
6.1.1	Overall rank order of the constraints experienced by the primary and middle school level learners of women and their present status in the descending order of importance	137
6.1.2	Political constraints experienced by the primary and middle school level learners of women and their present status in study area	141
6.1.3	Economic constraints experienced by primary and middle school level learners of women and their present status	143
6.1.4	Social constraints experienced by primary and middle school level learners of women and their present status	144
6.1.5	Psychological constraints experienced by primary and middle school level learners of women and their present status in study area	145
6.2.1	Overall rank order of the constraints experienced by the secondary school level learners of women and their present status in the study area in descending order of importance	147
6.2.2	Political constraints experienced by the secondary school level learners of women and their present status	151

6.2.3	Economic constraints experienced by the secondary school level learners of women and their present status	153
6.2.4	Social constraints experienced by the secondary school level learners of women and their present status	155
6.2.5	Psychological constraints experienced by the secondary school level learners of women and their present status	157
6.3.1	Overall rank order of the constraints experienced by the higher secondary school level learners of women and their present status in the descending order of importance	159
6.3.2	Political constraints experienced by the higher secondary school level learners of women and their present status	163
6.3.3	Economic constraints experienced by higher secondary school level learners of women and their present status	165
6.3.4	Social constraints experienced by higher secondary school level learners of women and their educational empowerment status	167
6.3.5	Psychological constraints experienced by higher secondary school level learners of women and their present status	169
6.4.1	Overall rank order of the constraints experienced by degree/diploma level learners of women and their educational empowerment status in descending order of importance	171
6.4.2	Political constraints experienced by degree / diploma level learners of women	175
6.4.3	Economic constraints experienced by degree/diploma level learners of women and their educational empowerment status	177
6.4.4	Social constraints experienced by degree/diploma level learners of women and their educational empowerment status	179
6.4.5	Psychological constraints experienced by degree/diploma level learners of women and their educational empowerment status	181

LIST OF DIAGRAMS

Diagram No.	Title	Page No.
1.	Age wise distribution of the respondents	90
2.	Community wise distribution of the respondents	94
3.	Distribution of the respondents by sub caste	97
4.	Marital status of Sample Population	99
5.	Primary Occupation of the respondents households	101
6.	Distribution of the respondents Family Size	104
7.	Educational Status of the Sample Households Population	106
8.	Housing Conditions of the Sample Respondents	108
9.	Source wise Gross Income of the Respondents Households	110
10.	Overall rank order of the constraints experienced by the primary and middle school level learners of women and their present status in the descending order of importance	140
11	Overall rank order of the constraints experienced by the secondary school level learners of women and their present status in the study area in descending order of importance	150
12.	Overall rank order of the constraints experienced by the higher secondary school level learners of women and their present status in the descending order of importance	162
13.	Overall rank order of the constraints experienced by degree/diploma level learners of women and their educational empowerment status in descending order of importance	174
