ACKNOWLEDGEMENT

The thesis entitled “A Study on Relationship between the Organizational Climate of the Hospitals and the Satisfaction of Patients – With a Reference to Kanyakumari District” submitted to the Bharathidasan University, Tiruchirappalli, for the award of the Degree of Doctor of Philosophy in Commerce is an original research work done by me during the study period from January 2005 to March 2014. I have obtained help and support from several persons to complete this study. In this connection, it is my duty to extend heartfelt thanks to my sincere guide and renowned scholar, Dr. M. Victor Louis Anthuvan, M.Com., Ph.D., Professor of Finance and Coordinator of Ph.D. Programme, Loyola Institute of Business Administration, Chennai – 600 034 for his constant and sincere guidance and valuable suggestions from the beginning to till date. But for him I would not have completed this work. I also thank Rev. Fr. Dr. Andrew F, SJ, the Principal, Dr. Charles, L.J., Head and Associate Professor and other faculty members of the Department of Commerce, St. Joseph’s College (Autonomous), Tiruchirappalli, for their encouragement to finish this work. My thanks are due to Dr. Sundararaj (late), former Head of the Department of History, St. Joseph’s College (Autonomous), for his immeasurable help. My sincere thanks are due to the members of the Doctoral Committee, Dr. K. Kavimani, Head and Associate Professor of Commerce (Retd.), Periyar E.V.R. College (Autonomous), Tiruchirapalli and Dr. S.M. Pushparani, Associate Professor of Commerce, Holy Cross College (Autonomous), Tiruchirapalli for their valuable suggestions extended to me.

I extend my thanks to the management of the Loyola Institute of Business Administration, Chennai and the Indian Institute of Management, Bangalore for permitting me to collect the secondary data from the library of the respective Institutions. My thanks are due to Dr. J. John Britto, the Chief Medical Officer, Government hospital; the management of Mission hospital; the management of PPK Multispecialty hospital; Dr. Bladin of Dental Care
and Facial Correction Centre; **Dr. P. Chandrasekaran** of Bone and Joint Specialty hospital; **Dr.N. Hari Ram** of Sri Narayana Ayurvedic hospital and management of Rita Nursing Home for permitting me to collect the primary data from the respondents of the respective hospitals. My thanks are due to **Mr. Mathivanan**, the PRO of PPK Multispecialty hospital, **Mr. P.K. Sindhu Kumar**, **Mr. A.P Ajaya Kumar**, **Mr. Hemachandran**, **Mr. Rajasekar**, **Mr. Biju** and **Dr. Joyel** of Medical Mission Hospital, Neyyoor, for helping me to collect the data.

I express my sincere thanks to **Mr. Belzarius**, **Mr. P. George**, **Dr. C. Francis**, **Dr. Robert Singh**, the Siddha doctor and **Dr. T. Shyju** for their help and support. My heartfelt thanks are due to my husband, **Dr. C. Thomas**, for his constant and continuous support. I also thank **S.S. Jansi Rani** and my colleagues and faculty members of the Department of Commerce, Periyar E.V.R. College (Autonomous), Tiruchirappalli for their help and encouragement to finish this work. My special thanks are due to **Prof. M. Balasubramaniam**, Associate Professor, Department of Statistics, Periyar E.V.R. College (Autonomous), Tiruchirappalli for his valuable help. Above all, I thank God Almighty for giving me courage and clear thinking for completing this work.

(S.S. ROSE MARY)
