ACKNOWLEDGEMENT

The researcher is grateful to her guide, Dr.(Mrs). M. Sumathy, Principal, K.S.R. College of Education for her valuable guidance and constant encouragement. The timely help extended by Dr. P.S. Balasubramaniam, former Professor and Head, Department of Education, University of Madras, Chennai is acknowledged with sincere thanks. The researcher is indebted to Dr. T. Nagavalli S.G., Lecturer in Mathematics, Sri Sarada College of Education who helped her to complete this work in more than many ways.

The researcher is thankful to the management of Sri Sarada College of Education, Salem-16 who permitted her to undertake the research work.

The researcher is happy to express her gratefulness to the Heads of the Institutions, who permitted her to do research. Certainly, the students who formed the subjects of the study deserve her thanks.

The researcher feels delighted to express thanks to all those who helped me for completing the study.
