ACKNOWLEDGEMENT

I deem it a rare privilege to pursue the research under the guidance of genius Scholar Dr. Vrushsen P. Pawar and I express deep sense of gratitude to him for opening new outlook to my career, for his meticulous guidance and constant encouragement in this research work. He always encouraged me to think critically. I thank sincerely for his kind help and guidance.

I would like to take this opportunity to express with profound respect, my deep sense of gratitude to ours honorable Principal, Dr. M. R. Patil, College of Computer Science & Information Technology, Latur, for his continuous inspiration. I also thank him for his moral support and guidance at various stages of my research.

I am also thankful to the authorities of S. R. T. M. University, Nanded for providing me an opportunity to complete this work.

I would also like to thank to Vice Principal of our college Dr. B. L. Gaikwad for the encouragement towards the result.

I would extend my sincere gratitude to Dr. M. H. Kondekar, Vice Principal, Mr. N. S. Zulpe, HOD, Computer Management department, of our College for their consistent support during the course of my study.

I am indebted to my heartiest friends, Mrs. R. R. Londhe, Lecturer, and Mrs. K. S. Gomare, Lecturer from College of Computer Science & Information Technology, Latur, for giving their hands to complete my research work.

My sincere and heartfelt thanks to Mr. Y. R. Agrawal and Mrs. P. D. Pathak for their unstinted support in many ways than words could describe to my work and well belong. I thank all my friends, colleagues for their affectionate association and encouragement.
I would like to express with profound respect, my deep sense of gratitude to my beloved mother, aunt, brother and sister for their love, affection, and blessings throughout my life. I thank my in-laws and all my family members for their good wishes, prayers and encouragement who have been there for me all through.

I am greatly indebted to my husband Mr. Vijay H. Mali for his act of kindness, understanding, constant encouragement, cooperation and affectionate concern throughout my life in all aspects. I am very much thankful to God who gives strength to my daughters Miss. Revati and specially my little angel Miss. Vedshree due to which I have conducive environment at home to pursue my research work.

Lastly and no way least, I earnestly acknowledge my sincere thanks to all the authors and researchers listed in the bibliography whose ideas, concepts, definitions and research findings helped me in understanding the concepts, selection of research problems and in analyzing the massive data.

Once again, I would like to thank everyone who made this dissertation possible directly or indirectly.
