ACKNOWLEDGEMENT

At times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us. No one walks alone on the journey of life. Just where you start to thank those that joined you, walked beside you, and helped you along the way continuously.

This book and its pages will be seen as “thanks” to the tens of thousands of you who have helped make my life what is today.
