Acknowledgement

I trust in achieving things by real sincerity, hard work, patience and honesty without compromising with anything. Because nothing is impossible in life, if we do things with full devotion and dedication, even the word 'impossible' says, 'I'm possible'.

I am sincerely thankful to Honorable and Respected guide Dr. M.G. Mehetre, Principal & Research Guide, Hutatma Pansare Mahavidyalaya, Arjapur, Dist. Nanded for his ever growing interest, inspiring suggestions, constant advice which was always impeccable and acted as a source of inspiration with constructive criticism throughout the period of work.

I am grateful to Mrs. Indira Mehetre for her co-operation during the time whenever I got the guidance from my Guide.

With immense privilege, I express my profound sense of gratitude and indebtedness to my most esteem and honorable teacher Dr. Omprakash R. Sharma, Principal of Matoshri Campus, Nanded for his keen interest, intellectual inspiration, constant encouragement, generosity and timely inspiring guidance with care and familiar affection during course of my research study and preparation of my thesis. There are no appropriate and sufficient words to thank him.

I exploit the opportunity to express my gratitude to my younger brother Dr. Manoj K. Tanurkar & my sister-in-law Dr. Sapna M. Tanurkar. They gave me every possible help to complete this project at every step of my research work.

My deep sense of gratitude goes to my beloved parents Sri. Kishanrao C. Tanurkar and Mrs. Anuradha K.Tanurkar for constant encouragement, love, care and affection. Emotional support and love of my sisters Vinaya, Sampada, Manisha, Megha and my nephews Nikita, Yash, Akshat, Rahul, Kunal. And mention must, also my husband Sri. Ganesh Sunkurwar gave me strength at every step of work.

All my special thanks go to my friends and relatives, Dr. Vijay Bandewar, Subhash Tiwari, Suresh Botlawar, Vrushali & Vijay Kondawar Sir, Kishor Dongre Sir, Padma Chavhan Madam, Deepa Parihar Madam without their help and encouragement my work wouldn't have been at par excellence.
It would be incomplete if I forget to express my deepest sense of emotional feelings towards Dr. Ganesh Patil, Principal of Smt. Vatsalabai Naik Mahila Mahavidyalaya, Mohammad Asrar, Ex-Principal of N.B.S.A. College, Wani for their esteemed guidance, timely encouragement, keen interest and co-operation during every phase of my studies and completion of this thesis.

I am very much obligated to Sri. Hambarde Sir. And I also thank Dr. Avinash Gharde, Principal of Kala Mahavidyalaya, Maregaon, Dist. Yavatmal for ensuring the facilities for the successful completion of my research work and also thank to all teaching staff and non-teaching staff of Kala Mahavidyalaya, Maregaon.

I would like to express my sincere thanks to Mr. Shinde and Deshpande’s Institute who gave me help for computer typesetting and designing.

I would like to thank and appreciate the efforts of all those associated directly or indirectly with this study, without whom, however, this study would not have been possible and whose names may have been missed purely as an oversight.

Above all, I owe to almighty God whose blessings gave me the strength to make this task successful.

I hope the present research study will help the municipal world, students and researchers alike.
