ACKNOWLEDGEMENT

It is a great pleasure and honour to express my deep sense of gratitude and respect to my guide Dr. B. Basavanagoud, Professor, Department of Mathematics, Karnataka University, Dharwad. I am grateful for his untiring and prompt help by sparing his valuable time in the supervision of this work by identifying errors and suggesting ways to rectify them. Throughout my thesis working period he has been exceptionally generous with his encouragement, sound advice, good teaching and several good ideas as he is to all his students. His caring, persuading and compassionate nature has been a great source of strength and inspiration during my research work. I am also grateful to him for providing me the necessary facilities at the department.

I wish to express my sincere gratitude to Dr. S. C. P. Halakatti, Chairperson, Department of Mathematics, Karnataka University, Dharwad. My warm and sincere thanks are also due to Dr. S. S. Benchalli, Dr. D. G. Prakasha, Dr. (Smt.) R. S. Dyavanal, and Dr. (Smt.) Asha S.
