I wish to express my deep sense of gratitude to my respected teacher and supervisor, Dr. J.K Tiwari, Reader, Department of Botany, HNB Garhwal University, Srinagar, Uttarakhand, for suggesting me the topic, providing constant inspiration and encouragement, useful suggestions and valuable guidance throughout the tenure of this study.

I am thankful to Prof. R.D. Gaur, former Dean and Head, Department of Botany, HNB Garhwal University, Srinagar, Garhwal, Uttarakhand for inspiration and encouragement and providing flora of Garhwal Himalaya for identification of plant species.

I owe my thanks to Prof. A.B. Bhatt, Prof. D.P. Vashisht, Prof. R.P. Bhatt, Prof. C.M. Sharma, Dr. J.P. Mehta, Dr. (Mrs.) Prabhavati Tiwari, Dr. B.S. Bhandari, Dr. R.M. Painuli, Shri B.B. Kukreti, and Dr. G.P. Raturi, for their kind help and continuous encouragement.

I am very thankful to the forest staff of Dugadda (Shri Bisht), Pauri (Shri Negi), and Adwani (Shri Rawat and Barthwal) who were very helpful in the field.

I am highly grateful to Prof. S.C Tiwari, Head, Department of Botany, HNB Garhwal University, Srinagar, Uttarakhand for providing me the facilities and time to time needed inspiration and encouragement.

I am highly indebted to my parents, Prof. S.C Tiwari, Dr (Mrs.). K. Tiwari, elder Brother Dr. GBG Shashi K. Tiwari, Bhabhi Dr. (Mrs.) Indu Tiwari, niece baby Gungun Tiwari who encouraged and helped me during the course of the study.

I would like to dedicate this work to my great lords Shri Golenath ji, Shri Bholenath ji and Shri Gangnath ji.

GBG Pananjay K. Tiwari
