I shall be failing in my duties, if I do not put on record the inspiration, affection and support of my lovely mother without whom blessings and perpetual encouragement, I would not have been able to complete the work of this type. I am also thankful to my in-laws. My thanks are also due to my younger brother Prashant and sisters Nutan and Preety, who supported and encouraged me at every moment and did not let my morale sink. At last, but not the least I am thankful to my husband for his ungrudging help and patience for bearance for whom most of the times my duties were failing.

Finally, I am thankful to ALMIGHTY for his munificence and blessings, which always let my morale high to tackle with the problematic situations during my field work.
