Acknowledgement

Firstly, I lay down my head in the Holy Feet of ‘Merciful Huzur Radhasoami Dayal’ for thy immense grace at all stages of my life.

I am deeply indebted to my respected supervisor Prof. Gunjan Agrawal, who has provided guidance and help during all stages of this work. She has been a perennial source of inspiration for me and I have learnt a lot, great deal of mathematics and Science, which are valuable in life. She always encouraged me to be my best. It is my great pleasure to place on record my hearty gratitude to him.

I wish to extend my sincere thanks to Prof. Ravinder Kumar, Head, Department of Mathematics, for his kind help and encouragement and for giving me opportunity to work in the field of my interest which will surely benefit me in my future undertakings.
