

Acknowledgements

I am grateful to the Almighty for His Grace and Blessings which made the completion of this work a good learning experience that was euphoric and immensely satisfying.

My thanks and regards to my teacher and supervisor Dr. Reshma Bhatnagar for her guidance, criticism, encouragement and help throughout this dissertation work.

I am indebted to Prof. Sant Prakash (Head, Dept. of Zoology) and all staff members for their encouragement and moral support.

Heartfelt thanks to Dr. Rajneesh Sirohi of DUVASU, Mathura for granting permission to visit the DUVASU Dairy farm and his kind support during the visits.

I thank Prof. C. Patvardhan, Incharge, Computer Science Matlab, Faculty of Engineering, DEI, for his guidance in Matlab software use.

Special thanks to Emeritus Prof. A. K. Sinha for his benevolence and kind help.

Many thanks to my parents, brothers, friends and batch mates for always being there for me.

AJAY KUMAR
