ACKNOWLEDGEMENT

My humble, silent and most sincere thanks giving, ever to the Almighty’s infinite grace and mercy that has continued to light up my every footstep in this research Endeavour.

I am highly thankful to my parents and all my family members for their active support and cooperation throughout my project work.

I express greatest sense of gratitude to Prof. Guru Prasad, Department of Botany, Dayalbagh Educational Institute, Agra for providing me an opportunity to work on this project by suggesting the problem and continuous guidance. Though it is an academic project, but the support, constant encouragement, guided me not only on this project but also gave me a lifetime experience to work as researcher in any environment.

I am thankful to Emeritus Prof. S.S. Bhojwani (Ex- Director of D.E.I), Prof. A.K. Bhatnagar (Ex-Head, Department of Botany and Dean Faculty of Science) and Prof. V.P. Bhatnagar (Ex-Head, Department of Botany), Prof. J.N. Shrivastava, Prof. P.K. Dantu, Dr. Sharmita Gupta and Dr. S.K. Soni, Ms. Akanksha for their constant support, blessings and facilities during my academic pursuit.

I am grateful to all my seniors Ms. Mame Satangi, and Ms. Kalpana Kanchan for all the help and assistance that I received from them whenever I needed it. Last, but not least, I am thankful to all my friend specially Neha Yadav for her kind support.
