ACKNOWLEDGEMENT

The pursuit of scientific knowledge is long strenuous and some times benighted path, but the presence of inspiration and close collaboration of my supervisor Dr. O.K. Belwal, Head, the Department of Statistics, H.N.B. Garhwal University Srinagar (Garhwal) made it highly illuminating and successful language fails me to express my deepest sense of gratitude to my most venerable supervisor for his kind. Without his illuminating guidance it would have been for me to carry out this research work. My thanks are also due to Dean faculty of science, Dr. S.K. Sharma Librarian, central library, H.N.B. Garhwal University Srinagar (Garhwal) Uttaranchal, Librarian, M. U. Meerut, Librarian, G. K. U. Haridwar, Dir. Srikant Asthana ji, Shobhit University Meerut for their kindness and help. I am also thankful to employers of Department of statistics, H.N.B. Garhwal University Srinagar (Garhwal) for their uniring help and co-operation. I owe my gratitude and thanks to Mr. Dharmendra, Mr. Vibhor Mishra, Dr. Navin Bhatt, Dr. Ishmita h, Dr. Ashita Saklani and Dr. Abhilasha who were ready to help me at all time. Thanks are also due to my friends Chetna, Beena, Nidhi and Swati who were always willing to discuss my problems and offer their advice and suggestions. I can not find words to express my indebtedness to my respected parents ,sisters , brother and in-lows for their love support and inspiration at every step of my success and failure, without which none of this would have been possible.

Last but not least, I sincerely express my heartfelt thanks to my husband Mr. Satendar Chaudhary for their affectionate ways.
