ACKNOWLEDGEMENT

Writing of acknowledgment of this dissertation work is a very difficult task for the student because there are so many persons involved to complete the project by giving their support assistance and guidance. But it is a protocol and essential component of a project report. Hence, I’m acknowledging the following.

First of all I most humbly desire to place this project at the lotus feet of the almighty and pray for similar success in my future endeavors too.

I express my deep sense of gratitude to my supervisor Dr. S.K. Soni and co-supervisor Prof. J.N. Srivastava for his constant inspiration, benevolent guidance and untiring help throughout the tenures of the work. I have been benifited greatly from his vast knowledge constructive criticism and height standard of expectation.

I’m thankful to Emeritus Prof. S.S. Bajwani (Ex Director of D.E.I), Emeritus Prof. V.P. Bhatanagar (Ex-head, Department of Botany) and Prof. A.K. Bhatanagar (Ex-head, Department of Botany) And Prof. L.D. Khemani (Dean, Faculty of Science), Prof. D.S. Rao (Head Department of Botany) Dr. Prem Kumar Dantu, Dr. Sharmita Gupta, Prof. G.P. Satsangi and Dr. Shabd Kumar, Miss Ankanksha.

I wish to express my sincere and genuine recognition and thanks to my senior Mr. Vinay kumar, Ms. Abha Singh, Mrs. Sugandha Verma and Mrs. Yati Prabha, and Miss Neha yadav, Miss Ekta, Dharmendra kumar who have responded promptly for all type of assistance which I have demanded from them for cause of completion of this project.

I have humbly desire to place this project at the lotus feet of the almightily and pray for similar success in my future endeavors too. I am thankful to my classmates and my friends for their ready help during the course.
