# TABLE OF CONTENTS

## CHAPTER I: INTRODUCTION

- 1.0. Background ........................................ 1
- 1.1. Need for the Study ................................. 4
- 1.2. Study Area ......................................... 5
- 1.3. Aim and Objectives ............................... 7
  - 1.3.1 Aim ............................................. 7
  - 1.3.2 Objectives ..................................... 7
- 1.4. Methodology ...................................... 7
- 1.5. Scope and Limitations ......................... 11
- 1.6. Chapter Outline ................................ 11

## CHAPTER II: REVIEW OF LITERATURE

- 2.0. Definitions ....................................... 13
- 2.1. Planning Process ................................ 17
- 2.2. Plan Implementation ............................ 20
- 2.3. Indian Experience: Institutions for Urban Development ........ 22
- 2.4. Financing the Development .................... 24
- 2.5. Alternate Means ................................ 25
- 2.6. Use of Fiscal Instruments ..................... 26
- 2.7. Use of Regulations .............................. 28
- 2.8. Use of TDR and Sale of Development Rights . 29
- 2.9. Land Mobilization for Implementation .......... 30
- 2.10. Land Laws and Property Rights ............. 32
- 2.11. Implementation of Plans and Policies ...... 35
- 2.12. Types of Evaluation ........................... 36
- 2.15. Evaluation of Spatial Plan Implementation ... 39
- 2.16. Method .......................................... 41
- 2.17. Spatial Planning: Role of Planning in Implementation ........ 42
- 2.18 International and National Case Studies .... 44
CHAPTER III: PLANNING AND IMPLEMENTATION OF SPATIAL PLANS IN BANGALORE 74-121

3.0. Background of Bangalore Metropolitan Area 74

3.1 Physical Setting:

3.1.1 Physical Setting – Topography 74

3.1.2 Climate and Rainfall 75
3.2 History of Settlement 75
3.3 Bangalore Economy 76
3.4 Bangalore Metropolitan Area 77
3.5 Spatial Growth and Structure 78
3.6 Demographic Profile of Bangalore 82
3.6.1 Population Growth Trends 82
3.6.2 Population Density 83
3.7 Planning and Development in Bangalore 86
3.7.1 Bangalore Development Authority (BDA) 86
3.7.2 BMRDA 86
3.7.3 Karnataka Industrial Area Development Board (KIADB) 87
3.7.4 Role of Private Sector - Formal and Informal Developments 88
3.7.4.1 Typical Layout Formation Process: (Servicing Land with infrastructure) 88
3.7.4.2 DC converted layouts 89
3.8 Spatial Plans (Master Plans) of Bangalore 90
3.8.1 CITB and its Plans 90
3.8.2 Bangalore Outline Development Plan (ODP) 90
3.8.2.1 Financing the development 90
3.8.3 Four Master Plans - 1972-2007 91
3.8.4 Urban Development during the Plan Period (1995-2007) 92
3.8.5 Land Use Pattern and Analysis 93
3.8.5.1 Outline Development Plan (ODP) 93
3.8.5.2 Comprehensive Development Plan (CDP) - 1984 94
3.8.5.3 CDP 1995 for a Plan Period Ending 2011 95
3.8.5.3.1 Mechanisms utilized for the plan implementation 96
3.9 Revised Master Plan 2015 96
3.9.1 Planning process 96
3.9.2 Master Plan/ Spatial Plan for Bangalore 97
3.9.3 Vision Objectives and goals 97
3.9.4 Concept Plan 98
3.9.5 Use of Spatial data and Information 99
3.9.6 Housing and Infrastructure 99
3.9.7 Water supply 100
3.9.8 Sewerage and Sanitation 100
3.9.9 Solid Waste Management 100
3.9.10 Drainage 101
3.9.11 Transportation 101
3.9.12 Education and Health Amenities 101
3.9.13 Recreational Facilities 102
3.9.14 Economic growth/ Jobs and Office Spaces 102
3.9.15 Environment 103
3.9.16 Energy Conservation 103
3.9.17 Investment Plan 103
3.10 Spatial Planning (Master Plan) and the Objectives 104
3.11 Appraisal of the Master Plan Implementation 106
  3.11.1 Development Initiatives 106
  3.11.1 Land mobilization and development (Formation of Layouts) 107
  3.11.2 Programmes and Projects: (Roads, Housing, ) (Airport Link Road 108
  3.11.3 Financial Mechanism 110
  3.11.4 PPP and PSP Participation 111
3.12 Development Control Regulations 111
  3.12.1 Appraisal of Zonal Regulations 112
  3.12.1.1 Transfer of Development Right 112
3.13 Instruments currently in use for the implementation in the Bangalore Metropolitan Area (BMA) 113
3.14 Programme, Plans and Project Implementation in BMA 117
3.15 Key Issues Related to Implementation of Plan Proposals 117
3.16. Summary 119

CHAPTER IV: EFFECTIVENESS OF SPATIAL PLANS IMPLEMENTATION 122-157

4.1 Introduction 122
  4.1.1 Thanisandra Planning District (3.09) 124
  4.1.2 Horamavu Planning District (3.11) 124
  4.1.3 Planning District -3.08, Bettahalasur - Agricultural Zone (Greenbelt) 125
  4.1.4 Sensitive Zone or the Valley Zone 125
4.2 Analysis of Planning district 3.09
   4.2.1 Existing Land Use of 309 in 2004
   4.2.2 Proposed Land Use of 309 PD (RMP 2015)
   4.2.3 ANALYSIS OF 3.09
4.3 Analysis of the Planning District 3.11
   4.3.1 Existing Land use of PD 3.11
   4.3.2 Proposed Land use of 311 PD (RMP 2015)
   4.3.3 Change detection Analysis of 3.11 planning district
   4.3.4 Demographic Analysis:
   4.3.5 Population Distribution in 2001 and 2011.
   4.3.6 Discussion on Implementation of Planning District 3.09 and 3.11.
4.4 Agricultural Zone (Greenbelt) – PD 3.08
   4.4.1 Existing Land Use 2004 – (3.08)
   4.4.2 Proposed Land use 2015 – (3.08)
   4.4.3 Spatial Analysis and Change Detection:
   4.4.4 Changes in Agricultural Land Zone. PD 3.08
   4.4.5 Industrial Uses in Agricultural Land Zone
   4.4.6 Public and Semipublic uses
   4.4.7 Quarries
   4.4.8 Residential Development
   4.4.9 Transportation
   4.4.10 Observations and Discussion
4.5 Sensitive Land Zone- Valley Zone
   4.5.1 Sensitive zone:
   4.5.2 BDA Implementation efforts:
   4.5.3 Analysis of Changes:
   4.5.4 Analysis:
   4.5.5 Discussions
4.6 Road Networks:
4.7 BDA Schemes in 309 Planning District:
   4.7.1 BDA CPS scheme Area:
   4.7.2 Observations:
4.8 Commercial Sub Centre:
4.9 Industrial Land Development
4.10 Transportation Zone 153
4.11 Industrial areas in Existing Land use Map of 3.11. 154
4.12 Transport and Utilities Scheme 154
4.13 Alternate Road to the Airport 154
4.14 Parks 155
4.15 Evaluation 155
4.16 Summary 156

CHAPTER V: INSTRUMENTS FOR SPATIAL PLAN IMPLEMENTATION 158-180

5.1 BMA Context: An Opportunity for Use of Plan Mechanisms and Instruments 158

5.1.1 Development Rights based: 158
5.1.2 Land / Property Rights Based : 160
5.1.3. Variants of Planning Instruments 160

5.2 Simplified version - Instrument at work, Dependence on the Plan system and value capture : 162

5.3 Relationship between the Plans and the Mechanisms/ Instruments: 16

5.3.1 Completeness of the planning system – Apex level, Ward level and Local Area Plans 166

5.3.1.1 Need for Detailed Planning 167
5.3.1.2 Need for Local Area Plans 167
5.3.1.3 Schemes and Project (Structural) Plan: 168

5.3.2. Flexibility 168
5.3.3. Binding 169

5.4. Other Measures that are Required for Working of the Instruments 170

5.4.1 Third party organizer for the Urban Development : 170
5.4.2 Provisions for compulsory expropriation: 170
5.4.3. Changes to the Revenue Laws/ Procedures: 171
5.4.4. Land banks Management 171

5.5. Institutional changes: 172

5.5.1 MPC implementation – Strategic Planning and Institutional Co-ordination for Services : 172
5.5.2 Streamlining of the Institutional Roles/Responsibilities 172
5.5.3 Need for streamlining the jurisdictions 173
5.5.4 Metropolitan Planning Committee: 173
5.6. Simplification of Procedures for the Implementation of Scheme and Town Planning 174
5.7. UD Corporation/ SPV for facilitating /implementation of Schemes 174
5.8. Institutional / regulation: Independent regulator for resolving the disputes: 174
5.9. PPP and PSP Involvement 175
5.9.1. Introduction of system of Incentives and Disincentives for the achieving the Planning goal. 175
5.10. Impacts: 176
  5.11.1 Impacts of Planning Proposals 176
  5.11.2. Compensation due to down zoning (impact due to proposals) is necessary 176
5.12 Use of Social Capital and Community resources 177
5.13 Introduction of Instruments for Implementation: 177
5.14 Priority Success Factors 179
5.15 Summary. 180

CHAPTER VI: IMPLEMENTATION OF LOCAL AREA PLAN AND REDEVELOPMENT SCHEMES 181-202

6.0. Background 181
6.1. Ward level Planning and Local Area Plans 181
6.2. LAP within the Planning District / Development Plan 182
6.3. Scheme Implementation 186
6.4. Town Planning Scheme Implementation: (Test case) 188
6.5. Scheme boundary 188
6.6. Planning scheme 189
6.7. Fiscal Component - Working of the costs 191
6.8. Test Results - Scenario’s 191
  6.8.1. Guidelines for the scheme formulation with respect to its implementation mechanism (Town Planning scheme) 194
6.9. Legal Implementation Pre-requisites 195
6.10. Aspects that need consideration for the effective TPS implementation 196
6.11. Illustrative /test case for the Renewal/Redevelopment in intended in the RMP 2015 197
6.12. Redevelopment Urban Renewal Cluster 197
6.13. Development of Large areas 199
6.15. Illustrative case: Redevelopment of Old Industrial Area: 200
6.16. Introduction of the Value Captures Mechanisms 201
6.17. Summary: Enablers for the Implementation 202

CHAPTER VII: STRATEGIES FOR IMPLEMENTATION OF SPATIAL PLANS IN BANGALORE METROPOLITAN AREA 203-215

7.0 Addressing the Implementation Gaps 203
7.1 Planning System: Process of Legitimization and Authorization: 204
7.2 Organizational Design and Modification: 206
7.3 Role of MPC for Coordination and Integration: 206
7.4 Arrangement for Scheme and LAP Implementation 207
7.5 Resources Mobilization and Action: 208
7.6 Capital Investment Planning and Budgeting: 208
7.7 Capacity for Planning and Implementation: 208
7.8 Accommodating the PPP / PSP in the Plans 209
7.9 Urbanizing Agents / Developer Entities: 209
7.10 Monitoring and Evaluation: 210
   7.10.1 Evaluation Methods 210
   7.10.2 Indicators: 210
   7.10.3 Impact Assessment 211
   7.10.4 Citizen information Portal: 211
7.11 Timelines for the Planning Cycle 211
7.12 Principles for effective implementation 212
7.13 Community Participation Law (CPL): 212
   Summary and Conclusions 213
Future Scope of Research 215

BIBLIOGRAPHY 216-231
