

ACKNOWLEDGEMENT

All praises to be almighty god, the creator of the entire world, thanking him for the best owing upon me to complete this research work successfully might not do justice to all the people who have helped me during my research work, by thanking them in this is one page, if it were not there constant support I would not have overcome all the difficulties I faced.

I sincerely thanks to my Supervisor, **Dr. S.P. Mahapatra**, Assistant Professor, S.S. Medical College, Rewa, for his constant encouragement, expert suggestion, timely guidance and for taking a very keen interest throughout the course of these studies. I wish to convey my thanks to my colleagues for their timely co-operation, dedication and support best owed to be during the entire course of work.

I sincerely thanks to **Mr. Avadhesh Kumar Mishra**, Director, IBRI,, Lucknow. For his motivating words which got embedded in our heart and left its foot print like milestones, which will always help us paving our way

I also want to express my sincere thanks to my friend Mohd Sohrab.

Last but not the least I owe my gratitude to my beloved parents, their support and faith in me as always inspired me to do my best, thank you for time.

All efforts have borned fruitful with the grace and blessing of the almighty god.
