ACKNOWLEDGEMENT

At the very beginning, I would like to thank Almighty Allah, for bestowing His favor upon me, which has helped me to produce this research study, which would otherwise have not been possible at all.

I have no words to express my immense and abiding gratitude and reverence for the very affectionate yet disciplined encouragement and supervision of Prof. Qazi. Mohammad Jamshed, Department of Political Science, A.M.U., Aligarh, my guide for Ph. D. Thesis. Also, I would love to thank him for his meticulous and immaculate method to perform the utmost of my ability in pursuing my research. He bore many inconveniences and provided support in various ways. I shall be ever grateful to him for being always ready for helping and also for his caring nature.

I most sincerely thank the Chairman of the Department of Political Science for his encouragement and advice at various stages of the preparation of this work, my heartiest thanks to all my teachers, my sincere thanks to the staff of our department.

I am indebted to my beloved father, Who died from the period of his relative, may God have mercy on him and rest his soul paradise Mr. Ahmad Mohammad Altarawneh, And my dear mother may God prolong her life and my brothers and sisters for their continuous prayers, sacrifices, encouragement and inclination towards higher education, because they pushed me to this stage to accomplish the task.

All thanks, respect and appreciation to my dear wife Um Gofran, who endured all this tiredness and my absence from her and for her role of being father and mother at the same time to our children during my studies abroad, Thank you dear.
Finally, I want to express my thanks and my love to all my friends who have been there whenever I was in need, and who didn’t hesitate to offer help or support in the accomplishment of this work.

MOHAMMAD AHMAD MOHAMMAD AL TARAWNEH
