Acknowledgement

[I remember God with single-minded devotion, as I remember now, the horrendous moments of my life when I was injured in a burn accident fifteen years ago. At that time, my mind was constantly engrossed in speculating a hopeless future. Since then, through my prayer to the Almighty I have been deriving enough mental and physical strength to cope with the realities of life. I owe to Almighty not only my survival but also my endeavours in the realm of study]

It is matter of great privilege on my part that I could avail the erudite guidance of Prof. A.K. Mohanty throughout the span of my research. I acknowledge his favour of enlightening me on my research subject with his illuminating erudition, clarity and precision. I am highly indebted to him for giving me his invaluable time in checking my drafts, pinpointing the shortfalls therein. I borrowed many relevant books from his personal library. While writing this humble note on acknowledgement, a deep feeling of gratitude to him has overwhelmed my mind. I feel that no language is enough for expressing my gratitude to him.

My thanks are due to students, teachers and principals of Boko High School, Kokrajhar Govt. H.S & M.P. School, Bathoupuri High School, Barama H.S. School and Hengrabari High School for their kind co-operation while I was collecting the data in Assam. I am also thankful to Smt. Monika Brahma, Mospe Doimary, Sri Golap Boro and Sri Sunil Phukan Basumatary for helping me in translating the questionnaires into Bodo language. I also offer my thanks to Sri S. Narzary, the Principal of Kokrajhar College for helping me with useful information during my fieldwork.

I offer my deep gratitude to my all learned preceptors in Zakir Husain Centre for Educational Studies, Jawaharlal Nehru University. Here, I want to take opportunity to offer my heartiest gratitude to Prof. Binod Khadria for his generous encouragement like a guardian, which infused self-confidence in me. As a student, I owe my tenacity and devotion to the constant encouragement of Prof. Binod Khadria.
I have to specially and thankfully acknowledge the help and co-operation rendered by the librarians of Central Library of Jawaharlal Nehru University, Seema, librarian of Zakir Husain Centre Library and the librarians of Teen Murty Library. I am also indebted to Dr. G.C. Pal for imparting knowledge with regard to use of SPSS programme.

The intimate faces of my classmates, hostel mates and all well wishers will always have their lively presence in my mind. First of all, I must speak of my friendship with Kamala Dhaulakhandi. She always used to give me compassionate encouragement whenever she found me in problem and it acted like a real panacea. My thanks are also due to my friend Dharmender Singh for his generous encouragement. The affectionate company of Gayotri Dekadoloi and my friend Geeta Verma will always be a source of joy and inspiration for me. Besides, I am also thankful to Aparajita and Priti for their affectionate and joyous company. The adherence of my brother Shyamanuj to truthfulness and simplicity has always been a source of encouragement for me.

Finally, above all, I am extremely grateful to my parents for their unstinted support and encouragement throughout the tenure of my studies.
