ACKNOWLEDGEMENT

It is my first and foremost duty to express my sincere thanks and deep sense of indebtedness to my guide Dr. D.K.GHOSE Professor and Head, Department of Statistics who has guided me and taken interest in my research work. His scholarly guidance and inspiring suggestions have helped me in carrying out the present research work. Words are inadequate to express my deep sense of gratitude to him for his invaluable guidance. In fact, I have learnt a great deal from Dr. D.K.GHOSE regarding research methodology, particularly the tools and techniques used in the present study. Without his valuable guidance and suggestions, this research project would not have been possible.

I cannot dream about this thesis without the strong support, guidance and co-operation of My Co-Guide Dr. PRATAPSINH CHAUHAN Professor and Head, Department of Management., Saurashtra University.

I am deeply indebted to the Vice Chancellor of Saurashtra University for giving me the permission to carry out my research work. I am also thankful to the bank officers and staff for providing valuable cooperation and help in the course of data collection.

I express my heartfelt gratitude to YADAV DEEPAK R. SHITAL and Dr. C. K. KUMBHARANA, Head Dept. of Computer Science, Saurashtra University, for their moral support and directly and indirectly helped me during data collection and their processing, Tabulating, Graphical work, SPSS related support. They also provide me all kind of required support at any time in the course of research.

I am greatly indebted to my father Shree N.M.GOSWAMI, who has strained every nerve in educating me, and to my mother for her blessings. It gives me great
pleasure to acknowledge my all family members, specially my wife PRITI GOSWAMI for her extensive morale support in the course of research.

I am thankful to H.V Gandhi, Mahendrabhai Trivedi and M.S.Zala for providing this shape to the thesis.

I am thankful to Dr.Girish Bhimani and Dr.Anil Ambasna for providing me continuous Moral support and Guidance to prepare my thesis

Last but not the least, I greatefully acknowledge the love and affection received from my bellowed daughter HIRVA and my son PURVESH for bearing all the odds they faced due to my reluctant ignoring them during the course of my research work.
