This thesis would not have been completed without the moral support and encouragement of all those whom I would like to thank for their immense help in this endeavour. I feel happy and proud of mentioning those who motivated and encouraged me directly and indirectly in completing my thesis.

First and foremost my sincere and heartfelt thanks to Dr. H. Rajashekar, Professor, Department of studies in Commerce, University of Mysore, Manasagangotri, for accepting me as a research scholar and his valuable guidance, help and encouragement during all stages of this work His professionalism in research work has taken me to meet the essential requirements of the research.

I thank Department of Commerce, University of Mysore for giving me the opportunity to do the research.

I am thankful to Dr B. Nagaraju, Chairman and Associate Professor, DOS in Commerce, University of Mysore for his insightful corrections. I express gratefulness to Prof. G. Kotreshwar, Prof. Suresh B H, Dr. Nagendra Babu K., Dr N. Nagaraja and Dr. M L Ashoka for their valuable suggestions and encouragement.

I express my sincere thanks to all staff members of SBM, CANARA, SYNDICATE, ICICI, HDFC AND KARNATAKA BANKS for their complete cooperation and support in collecting the required information from them for the research.

I shall be failing in my duty if I do not acknowledge my well-devoted gratitude to my Father Sri Parashuram V, Mother Smt. Rajamma, Husband Mr. Santhosh and sister Mrs. Veena Sathish. I am always grateful to them for their encouragement and blessings, which enable me to pursue my studies and complete this work.

I express my gratitude to my beloved friend Ms. Dilshad Begam for exchange of ideas and sharing the knowledge by discussions. She was very supportive and encouraging during my research work.
I sincerely thank to Dr. Lancy D’Souza, Professor in Psychology, Maharajas College, Mysuru for giving me valuable inputs in designing my research questionnaire.

I express my sincere thanks to Dr. Samson Victor, being academically sound about the statistics and data analysis, who helped in verifying and suggesting about the data analysis and interpretation part of my research work. His friendly approach and his timely suggestions have made me to incorporate the necessary changes in technical part of the thesis for achieving the quality work.
