ACKNOWLEDGEMENT

It is my pleasure to present this thesis, a result of research carried out at Centurion University of Technology & Management, Odisha under the kind inspiration of K.L. University, Andhra Pradesh. In course of my research I came across a number of people who contributed their efforts directly or indirectly for the accomplishment of this research and I convey my special gratitude to them.

I would like to express my profound and sincere gratitude to Prof. Trilochan Rout, Department of Mechanical Engineering, PMEC, Berhampur and Prof. Ramesh Chandra Mohanty, Department of Mechanical Engineering, CIT, Bhubaneswar, who educated me about the methods and principles of research and guided me patiently throughout this thesis work with matchless magnanimity.

I am highly indebted and owe my heartfelt reverence to Prof. D.N. Rao, Vice Chancellor, CUTM and Prof. M.L. Narasimham, Dean, SOET, CUTM for their valuable suggestions, constructive criticism and motivation with enormous moral support during the progress of my research work.

I am grateful to Dr. P.S. Rao, Dr. P.S.V. Ramana Rao and other Doctoral Scrutiny Committee Members for their valuable suggestions and comments during this research work.

I would be failing in my duty if I don’t acknowledge the co-operation rendered by Staff members of K.L. University and Centurion University of Technology & Management during various stages of my research work.

I am highly grateful to Dr. Ashok Mishra, Registrar, CUTM and Dr. B. Raghu Kumar, Director, FED, KLU who evinced keen interest and invaluable support in the progress and successful completion of this research work.

It is a great pleasure for me to acknowledge and express my appreciation to all my family members, G.K. Padhi, N.K. Padhi, S.K. Padhi, B.L. Padhi, L.N. Padhi, J.R. Padhi, Puja, Chandan, Guddu, Sikun and Likun for their constant encouragement, co-operation and help to accomplish this work. I would like to express my special thanks to my spouse Mamuni for her endless inspiration, active cooperation and sacrifice throughout the course of my doctoral dissertation. Words of gratitude are not enough to describe the accommodation and fortitude which they have shown throughout my endeavor.
