2.1	Physical parameters of SLFM plant	24
2.2	Physical Parameters of TLFM plant	29
2.3	Comparison of performance for SMC and FSMC in simulation	44
3.1	Comparison of control performance for SMC and HOSMC	61
4.1	Comparison of control performance for fractional PID	75
4.2	Comparison of control performance for SMC and FSMC	85
5.1	Comparison of performance for SMC and FSMC in simulation	106
5.2	Comparison of performance for SMC and FSMC in experimentation	109
6.1	Comparison of control performance for shoulder motor	121
6.2	Comparison of control performance for elbow motor	121
6.3	Comparison of control performance with TA and STA	129
