

# ACKNOWLEDGEMENT

I feel immense pleasure in expressing my utmost gratitude to my Guru **Dr. Sanjeev J. Wagh** for their guidance and valuable suggestion and ingenious ideas, tireless and unconditional help and being a role model for me throughout the journey of research. He showed me different ways to approach a research problem and need to persistent to accomplish the goal. His encouragement and feedback have greatly influence my research work.

I express my heartiest thanks to **Dr. Rakesh K. Jain** as a role model for me. It has been privilege to work under his guidance. He always counseling and keeping faith in me. His guidance helps me to complete this path. My PhD program at Savitribai Phule Pune University started in Dr. D. Y. Patil Institute of Engineering and Technology, Pimpri, Pune, India with the vision of bringing contributions in the area of Wireless Sensor Network and contributing to the students and society.

I am indebted to Honourable founder president of DYPIET **Dr. P. D. Patil** .

I would like to thankful to Dr. Pramod Patil, Dr. A. V Kulkarni, Dr Radhika Menon, Registrar Mr. Pramod Patil for their continuous support, help, and encouragement to boost my confidence. It has been great experience to interact with bright and talented personalities like Dr. S. N. Mali, Dr Parikshit Mahalle Dr. Varsha Patil, Dr S. S. Sane, Dr. Rajesh Prasad Their advices in setting up my research directions were highly valuable. Their encouragement, critiques and feedback have greatly enhanced and strengthened my research.

I would like to acknowledge my friends Mrs. Deepali Rane , Mrs. Deepali Gothwal, Mr. Abhishek and Shweta Mishra for their support and help during my PhD. I am very much thankful to my colleagues and staff members of research center, they helped me a lot during completion of the task. I am grateful to all my family members for their constant support, encouragement and love. I would like to thank them for their sacrifices which were vital to continue my PhD program. Words fail me to express my appreciation to my husband Sunil whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I thank my son Sahil for making me forget all the pressure . I would like to also thanks all those who directly and indirectly involved in building this thesis and research work.

**Date:**

**Mrs. Manisha Bhende**
