LIST OF PAPER PUBLISHED AT JOURNALS

1) Received acceptance for "Production of Cry1Aa protein of B.t. from recombinant E.coli by using agrowastes" - From Asian Jr. of Microbiology, Biotechnology and Environmental Sciences, 2007

2) Received acceptance for "Analysis of economics of Cry1Ac toxin from recombinat E.coli using mushroom wastes and peptones" - From Crop Protection and Production, 2007

LIST OF PAPERS PRESENTED AT DIFFERENT CONFERENCES

1) "Production of ICP of B.t. from recombinant E.coli in novel media "- 46th Annual Conference, Association of Microbiologists of India, Osmania University, Hyderabad, Dec. 8th to 10th, 2005, pp 102-103.

2) "Production of B.t. toxin - A Novel Approach", One day student seminar, Montessori Mahila Kalasala, Vijayawada, Jan. 20th, 2006.

3) "Evaluation of cost-effective substrates for ICP production of B.t. from recombinant E.coli with cry1Aa gene" in National symposium on 'Emerging Trends in Microbiology' held by Dept. of Microbiology, Acharya Nagarjuna University, Guntur, 25-26th March, 2006, pp 46-47.
