Acknowledgement

A journey is easier when you move together. Interdependence is surely more valuable than independence. Such dissertation, which is the consequence of more than three years of research work, is by far the most significant accomplishment in my life.

It would have been impossible to complete this journey without people who supported me and believed in me. It is a pleasurable expression that, I have the occasion to express my appreciation to all of them.

It is complicated to overstate my appreciation to Ph.D. guide, Prof. Shirish S. Pingale, I sincerely thank for all his trust and support to pursue my research work under his guidance.

I gratefully acknowledge the support of Principal, N.S.Nikam, Chandmal Tarachand Bora College Shirur, and Dist-Pune. State of Maharashtra, for providing with all necessary facilities required throughout the entire itinerary of my research work. I thanks to Prof. Dr. B.R Khot, Head department of chemistry, Chandmal Tarachand Bora College Shirur.

I am grateful to Dr. R. H. Baheti Principal SitabaiThite College of Pharmacy, Shirur for his expert guidance and necessary advice for pharmacological work. I am also very grateful to Dr. V. N. Tare, Lecturer, SitabaiThite College of
Pharmacy, Shirur, for providing all necessary guidance while pursuing the pharmacological work.

I am grateful to Principal S.S. Shewale, Prof. Dr. S. V. Sowani, Prof. V.V. Awati, Prof. D.H. Bobade, Prof. C.S. Dhapte, Prof. S.V. Patil, Prof. S.H. Kawade, Prof. K.B. Thopate, Prof. Nitin Rode, Prof. Kiran Badave, Prof. Badhe, Prof. Ms. Tathe, and Prof. Mrs. Ware for their timely help during my course.

I thank Shri K.B. Kale, Shri Pradeep Waghmare, Shri Balasaheb Korde, Shri Thakur, Shri Chabukswar, Sagar Shrimante, Dixit D.D, More S.K, for his technical help in laboratory work and photography.

I am grateful to Chemistry Department, University of Pune, Department of Chemistry A.C.S. College, Narayangaon, Dist-Pune (Maharashtra), S.S.C. Pharmacy College, Shirur and National Chemical Laboratory, Pune, India for Laboratory work.

The present work is devoted to my beloved parents, whose is in love with and affection apart from their moral support made it possible to complete. My wife, Mrs. Nilakshi, Son Prasad and Daughter Pranita deserve special mention for their continuous encouragements.

Eventually, I take this prospect to thank all those who have assisted me directly or circuitously.
