ACKNOWLEDGEMENT

I would like to thank God, Aai-Baba for Their Guidance and strength.

In the long and persistent journey of research, many people have been encouraging and supportive to me. I have worked with a great number of people whose contribution in assorted ways to the research and the making of the thesis deserve special mention. It is a pleasure to convey my gratitude to them all in my humble acknowledgement.

This research was undertaken and completed under the guidance of Dr. Joe Lopez, Sadhu Vaswani Institute of Management Studies, Pune and Research Guide, Savitribai Phule Pune University with his critical insights, patience, keen interest and adorable affection.

Dr. Joe Lopez was a great source of encouragement at every stage of the work. My greatest tribute in the preparation of this research work is to my guide. His soft but firm words of appreciation as well as criticism unfolded the real output of research. He imbued the spirit in me, lifted me up when I felt dejected, showed me reality when I falsely felt elated and instilled confidence when I felt defeated. He coupled up to become a friend and philosopher being my guide. I am simply indebted to my treasured and respected guide Dr. Joe Lopez.

I wish to express my gratitude to Prof. Maruti Nivrutti Navale, Founder President, Sinhgad Technical Education Society, STES, and Dr. (Mrs.) Sunanda Maruti Navale, Founder Secretary, STES, for their support, encouragement and blessing. I am indebted to them for permitting me to take up this research work along with my work responsibilities.

I would like to express my special appreciation and thanks to my advisor Dr. Shipa R. Kulkarni (Founder Secretary, Matrix School of Management Studies), for encouraging my Research and priceless guidance for betterment of my work time to time.

To the role model for beginners in SPSS, Dr. Rushi Shukla, I would like to thank him for being the first person who taught me how to use SPSS for data analysis.

I express my gratitude to Late Dr. Nitin Mankar, Dr. Vijaykumar Shitore, Dr. P. C. Shejwalkar, Dr. D. K Sinha, Dr. (Capt.) C. M. Chitale, and Dr. Eknath Khedkar (Dean Management), Dr. S. Jadhavar (Dean Commerce), Dr. B. V. Sangvikar (HOD, PUMBA), Dr. M. R. Tambe, Dr. Sharad Joshi, Dr. Rajashree Shinde, Dr. Vaishampayan, Dr. Amod Markale, Dr. Shailesh Kasande, Dr. Prafull Pawar, Dr. Hemant Katole, Dr. Sajid Alvi, Dr. Chetan Choudhari, Prof. Satish Pawar, Dr. Parag kalkar, Dr. Dhanjay Mahadik, Dr. Ramkumar, Dr. Nilesh Gokhale, Dr. Amey Choudhari whose expert and constructive inputs during the course of my progress presentations have developed my research at different point, paving it to a definite direction.

I would like to place on record my deepest sense of gratitude to Dr. S. U. Gawade former Research head and Dr. Rupali Jain, Research Head of Sinhgad Institute of Management and Research Center, Pune for her valuable guidance, help and moral support during the various stages of this research. I am thankful to Mr. Tushar Nivagune, Sinhgad Institute of Management, Pune, in providing me a lot of consistent help and honourable support.
I would like to dedicate this thesis to my beloved Father Shankar and Mother Shantabi, for their hard determined work in bringing me up and for encouraging higher education. They have always been there for me and have made me what I am today. Furthermore, I express my deepest and most sincere gratitude to my Sister Manjula and Brother in Law Rahul, for their understanding and patience throughout my time here; without their support I would not have reached this stage. My appreciation bounces to my loving Friends. I simply could not have done this without them by my side. I also thank all my family members and friends for their encouragement and support. At Last I would like to thanks my friend Sameer Bhosale and Navanath Doke.
I owe a deep felt sense of gratitude and admiration to all the concerned Corporate and Household consumers, Solar Energy Source Manufacturers and service providing companies and their user for their active participation as respondents, whose willing contribution make this research work success.
Finally, I would like to thank everybody who was important to the successful accomplishment of thesis, as well as expressing my apology that I would not mention personally one by one.
