ACKNOWLEDGMENTS

I would like to express my sincere gratitude to my thesis supervisor, Dr. D. M. Survase, for her valuable guidance, support, time and encouragement throughout my studies. I would like to thank her for the financial support from time to time as a research assistant.

I wish to acknowledge my Principal Dr. P. V. Ramaiah for giving permission to use our post graduate research laboratory and co-supervisor, Dr. M. G. Patil (Department of Botany, C. H. Chaudhari Arts, S. G. Patel Commerce and Babaji B. J. Patel Science College, Taloda Dist. Nandurbar, Maharashtra), for his help, advice, and sharing of his insight and experience. In addition, many thanks go to Dr. J. G. Magar (Department of Botany, M. J. College, Jalgaon, Maharashtra) for his valuable time to review my papers, share assay techniques and provide his suggestions on fermentation experiments. They have given up time and much needed advice throughout my research and writing.

Without their guidance and support, this work would not have been achieved. I would like to thank the following colleagues of including, Dr. Sau. Malti Aher, Dr. D. K. Aher, Dr. V. K. Wahule, Professor V. M. Joshi and Professor Pandurang Jadhav (Karmveer Ramraoji Aher College, Deola Dist. Nashik, Maharashtra) and Madhukar Vasave (Mehdipada), Nilesh Naik (Lakhapur), Mahendra Padvi (Jamana) Ashok Aher (Deola) for their countless hours of discussion and sharing of their idea and experience.

I wish to express my deepest appreciation to my dearest wife, Madhuri, for being there and sharing every moment, encouragement, patience and love. Much thanks to my parents Ajabsing Padvi, Mother Jamunabai Padvi, brother Advocate Sangramsing Padvi, Palamsing Padvi, sister Karuna, Vardhana, Surekha, Chetana, Pradnya my uncle Vishnu Padvi, Viveksing Padvi, Pyarsing Padvi, Mangalsing Padvi, and Radhakisan Padvi for their encouragement, love and support during my studies. They have always been behind me and sacrificed themselves every moment for giving me the opportunity and the motivation toward my studies. Your sacrifice and love imply a lot to me and I am indebted to them for what I have achieved. Also, I sincerely thank my father-in-law Arvind Valvi, mother-in-law Kamlabai Valvi, brother-in-law Jaipal Valvi and Sunita Valvi for their love and encouragement during my master and doctoral studies.
