ACKNOWLEDGEMENTS

In the name of Allah The most beneficent, The most merciful

First of all I would like to thank Almighty Allah for giving me courage and will to complete this work. Words are inadequate to thank my research guide Dr. S. T. Bagalkoti, Professor, Department of Economics, Karnatak University, Dharwad, whose intellectual stimulation, invaluable suggestions, and personal involvement have enabled me to accomplish this work. He patiently provided the vision, encouragement and advice to proceed to complete my thesis. I have learnt much more from this distinguished personality apart from studies. Without his kindness and patience this work would not have been completed.

I acknowledge with the great sense of gratitude the kind encouragement and all possible help rendered to me by Prof. L. D Vaikunthe, Prof. H. H. Uliveppa, Prof. P. M Honakeri, Prof. H. H. Bharadi, (Chairman), Prof. R. R. Biradar, Dr. B.H. Nagoor, Dr. (Smt.) Haseena H. Gadwale, Dr. N. S. Mugdur, Dr. S. B. Nari, and non-teaching staff Sri. Suresh Airani, Khalil Ahmad and Sri. B. S. Shirahatti and others of the Department of Economics.

I am also highly indebted to Dr. Mahesha M. (Professor, DOE&C, Manasargangotri, University of Mysore) for guiding me intensely in the methodology section of the study. Further I thank to Prof. S.H. Baba and Prof. S. A. Wani (Division of Agricultural Economics and ABM, SKUAST-K) and Dr. V. B. Joshi (Professor Department of Statistics, KUD).

My Sincere thanks to authorities of Division of Agricultural Economics and ABM, SKUAST-K, University of Agricultural Sciences (UAS), Dharwad, Officials of Directorate of Horticulture Planning and Marketing, Govt. J&K. and the authorities of Offices of the Chief Horticulture Officers of Budgam, Baramulla, Shopian and Pulwama.

During my field visit, I came across so many supporting people I sincerely thank them all. I also thank all the respondents for extending their co-operation and providing me detailed primary information of the study. Especially the help by my best friend Dr. Zahid H. Bhat was immense.
My Special thanks to Mr. Mahammad Habeeb, who has always been there for me. His moral support and friendship has a big role in my research, I owe a lot to this guy. I am also thankful to other research scholars and my dear friend Mr. Husainsab Nadaf; Mr. Sangangouda Patil; Mr. Siddhram M.; Ms. Supriya Belvi and my seniors Dr. Ashwath D. Naik; Dr. Sheshgiri; and Dr. Pallavi Paga.

I would express my gratitude to my friends cum roommates Mr. Imtiyaz A. Parry, Mr. Sajjad A. Parry, Naseer A. Parry, Mr. Zain Altaf Addewale (and his family) for their immense and moral support.

I thank the Karnatak University, UPE fellowship for my financial support to completion of my research work.

My acknowledgements would not be complete without mention of my parents Mr. G. N. Adfar and Mrs Rubeena Jan who are my role models and pillars of strength and guiding light all through my life. I’m grateful to my family members my brother Dr. Aabid Nabi, my sister Dr. Salma Nabi, my brother in law Mr. Tahir Saleem Khan, and my uncle Dr. Javaid H. Wani, who helped me a lot to reach at this stage of my life supporting me by one way or the other.

Last but not least, my sincere thanks to all the people who have helped me directly or indirectly in making this thesis a reality, but whose names I have failed to mention.

I would like to conclude my acknowledgement with the pious words of Hazrat Sheikh ul Alam (RA) who always encouraged the students and researchers as:

Who shall lit the hurricane lamp in this devilish blizzard

Fuel not, but faith and knowledge he hast to ignite it with

Leaving aside the gimmicks, Shalt he behold the truth

Preserved that is in the ultimate testament of “Alif Lam Meem”

Dharwad
