Acknowledgement

While pursuing Ph. D degree, I came across many ups and downs; but, Ph.D. has been an experience of a voyage through varied terrain that has often been disheartening, agonizing and mundane though there have been times of delight and satisfaction as well. All in all, it has been a unique learning curve where many people have influenced and inspired me in various ways. Now the time has arrived to express my deep sense of gratitude to all those people who have supported me in my endeavor.

The one person, who influenced me the most, is Dr. S. A. Patil, Professor of Inorganic Chemistry, P.G. Department of Chemistry, Karnatak University, Dharwad and words may not be enough to express my indebtedness and sincere gratitude towards him as my research supervisor for his indispensable guidance, encouragement, moral support and enlightening me in godly grace to pursue my research in a thought provoking way. Apart from being an excellent supervisor, he is a simple person and hard working. I am touched by his cordial behaviour and sympathetic nature and consider myself fortunate enough to have worked under his supervision. I also use this opportunity to thank Mrs. Leelavati S. Patil for her best wishes.

I thank sincerely to present Chairman Prof. M.V. Kulkarni, former Chairmen Prof. S. T. Nandibewoor, Prof. S.A.Patil and Prof. S.A. Chimatda,r P.G. Department of Studies in Chemistry, Karnataka University, Dharwad for providing all sorts of facilities to carry out my research work. My sincere thanks to all the teaching faculties of P.G. Department of Studies in Chemistry, Karnataka University, Dharwad for their encouragement and timely help. My special thanks to Dr. Prema S. Badami, Department of Chemistry, Sri Sharanabasaweshwar College of Science, Gulbarga for her kind support throughout my research.

It is with deep sense of gratitude that, I express my heartfelt thanks to Shri. I. H. Kadlimatti, Shri. Ganesh Kundaragi, Smt. Bharti and Smt. Murgod and all other staff members as well of USIC, Karnataka University, Dharwad for IR, NMR, Fluorescence, UV-vis., TG/DTA, Elemental analysis and other spectral studies.

My sincere thanks to the Director, IIT Kanpur for ESI-MS studies, Registrar, Indian Institute of Science, Bengaluru for NMR studies, Registrar, Indian Institute of Technology, Bombay for ESR Spectral studies and Registrar, Indian Institute of Technology, Roorkee for Magnetic studies, Indian Institute of Technology, Madras for EI-MS Studies. My particular thanks to Dr. Girish Babu, Chief Executive of Bio-Genics for their valuable help in screening the compounds for biological activities. Special thanks to Director, C.M.R. Institute of
Technology, Bangalore, Karnataka, for their kind helps for the completion of part of biological activities.

I will remain indebted and very thankful to our research group members Dr. Prakashgouda Avaji, Dr. Gangadhar B. Bagihalli, Dr. Ajaykumar D. Kulkarni, Dr. Vinod H. Naik, Smt. Chetana Patagar, Late. Smt. Shreeseema Bhavital, Dr. Shrishila N. Unki, Dr. Manjunatha M., Mr. Chetan T.P., Dr. Bhimashankar M. Halasang, Mr. Shivashankar M. Kinnal, Miss. Shailaja Jawoor, Mahantesh Kumbar and Mr. Prashant Ramawadagi for their help and encouragement.

I also thank all my senior and junior Research Scholars of the P.G. Department of Studies in Chemistry, K.U. Dharwad for their cooperation and timely help.

Literally words cannot depict the depth of my feelings to express sincere thanks to my friends Dr. N. L. Teradal, Dr. Mahantesh Angadi, Dr. Praveen Kajjari, Dr. Vijay Teli, Dr. Balesh Mastiholi, Sunil Patil, Dr. Pramod Kattimani, Bahubali Chougala, Krishna Naik, Avinash Kotian, Dholes Kokare, Arun Buddannavar, Naveen Gokavi, Subhas Bijjaragi, Sameer Kulkarni, Santosh Mirji, Rafiq Mulla, Shri. Martandappa Katti, Shri. Vijay Hiremath., Shri. Sunil Parshetty and my childhood friends Mr. Naveen Yaligar, Mr. Chidamber Chincholli, Mr. Ganesh Gorphade, Dr. Praveen Karki, Mr. Satagouda Patil and Mr. Mahadev Bidnal for their constant support and invaluable help.

Lastly, this acknowledgement would be incomplete without expressing my indebtedness to my family members who have been a constant source of inspiration and support all through my life. I owe my deep sense of gratitude to my beloved parents Shri. Shankrayya T. Toragalmath and Smt. Yallamma S. Toragalmath who laid the foundation of my academic pursuit right from my childhood.

I also express my profound gratitude to my elder brother Shri. Shrikant Toragalmath, Sister in Law Smt. Poornima Toragalmath, My brother’s Son Satvik and all my family members and relatives for their encouragement and support during my research.

My heartfelt thanks are due to the authority of Karnataka University, Dharwad for providing me an opportunity for pursuing my Ph.D. Degree.

I am thankful to all the non-teaching staff of P.G. Department of Studies in Chemistry for their help and good wishes.

I take this opportunity to thank all of them those who have helped me directly or indirectly in completing this research work.

DHARWAD

Mr. Shivakumar S. Toragalmath
