ACKNOWLEDGEMENT

This work owes its inception, development and completion to the scholarly and expert guidance, original ideas, practical suggestions and above all encouraging and sympathetic attitude of my supervisors, Prof.(Dr) K.G.Sharma (external supervisor) and Dr. A. K. Sharma (internal supervisor). I sincerely acknowledge my indebtedness to them.

I am grateful to all the Principals and teacher-educators of all the thirty DIETs under study for their cooperation and valuable suggestions.

I am also thankful to Dr. Harendra (D.I.E.T. Darya Ganj) for helping me in all the statistical work.

Dr. S.V Singh IGNOU Delhi, Dr. B. K. Passi, Ex. Vice chairman, NCTE Delhi, Dr. Neerja Sukhla, NCERT Delhi for their valuable time & their help for my work.

Appreciations are also due to Prof R.P. Singh (NCERT) for their valuable and timely guidance.

It is not possible to express in word my indebtedness and gratitude to my Father Dr. D. P. Singh, my mother Mrs. Nirmala Singh, my sister Anamika and brother Ishu Choudhary for their blessings, affection, sacrifice and their guidance.
