ACKNOWLEDGEMENTS

I would like to convey my deep appreciation to my supervisor Prof. Shikhar Kumar. Sarma for his continuous guidance and support over the years. This work was a long run in my academic life and his moral support was very encouraging in hard times. He always motivated me to enlarge my scientific vision. He always provided us with enough space to work independently and a pleasant work environment. For all the time and energy he shared with me, I am really thankful.

I would like offer my gratitude to Prof Anjana Kakoti Mahanta, Professor, Department of Computer Science & Dr. Abhijit Sarma, Head i/c, Department of Computer Science.

I would like to thank Dr. Nabanath Saharia, Kishore Kashyap, Abdul Hannan, Ahidur Zaman, Abdul Kuddus & Ghaznavi Idris for their timely support and suggestions during research work.

I would like to thank team members from Language and Technology Development project, Gauhati University and Dr. Seuji Sarma, Department of Linguistics, Gauhati University for helping with linguistic knowledge's for preparing text corpus.

I would like to thank Parismita Sarma, Dr. Nabamita Deb, Satyajit Sarma, Vaskar Deka, Chandan Kalita, Elima, Pramod, Prasanta Da, Treesha Baideu, Bhatta, Sarma, Ratan, Bijoy & Horen Da for their well wishes.

My thanks go to my parents for teaching me how important education is. My humble thanks go to all the members of my family (Maa, Baba, Kaka, Bou, Baiti, Bhinti, Bhonti & Bhajian) including in-laws for their continuous support during my work.

A very special thanks go to my wife, Karishma Hussain who always stood by me in good and bad times in my life.
