Acknowledgements

My special words of thanks go to my advisor, Dr. H. S. Ramane, Professor, Department of Mathematics, Karnatak University, Dharwad, for his continuous support, guidance, cooperation, encouragement and for facilitating all the requirements, throughout my Ph.D. study. With his passion and vision for scientific research, my guide sets a role model for his students, which we can hardly emulate. He has taught me another aspect of life, that, “goodness can never be defied and good human beings can never be denied”. His support, expertise, invaluable guidance, constant encouragement, affectionate attitude, understanding and patience have always kept me going ahead. I owe a lot of gratitude to him for always being there for me and I feel privileged to be associated with a person like him.

I express my heart-felt gratitude to Prof. B. Basavanagoud, Chairman, Department of Mathematics, Karnatak University, Dharwad for extending all the amenities and support during my research work and I am very grateful to Dr. P. M. Patil, Dr. P. G. Patil, Dr. S. C. Shiralashetti, Dr. D. G. Prakash, Dr. (Smt.) R. S. Dyavanal, Dr. (Smt.) S. K. Asha and Mr. Kumbinarasaiah S., Dr. S. S. Benchalli (Rtd), Dr. (Smt.) S. C. P. Halakatti (Rtd.) for their guidance and encouragement during the course of my research work.

I am thankful to the office staff, Shri V. N. Bhat, Shri C. N. Aralikatti, Shri A. A. Kanteppanavar and Shri P. R. Kondapali for their support and cooperation.

I express my heartfelt gratitude to Prof. H. B. Walikar, Former Vice-Chancellor, Karnataka University, Dharwad and Shri Gireesh Meeshi, Associate Professor, SACD College, Bidar for their blessings and kind support.

I express my sincere thanks to Dr. Shaban Sedghi, Islamic Azad University, Iran, Prof. N. M. Bujurke, INSA Honorary Scientist, Dr. Ishwar Baidari, Dr. V. B. Joshi, Karnataka University, Dharwad and Dr. (Smt.) Keerti G. Mirajkar, Karnataka Science College, Dharwad for their valuable comments and suggestions during my research work.
I extend my thanks to Vice-Chancellor, Registrars, Librarian and all other office staff of the Karnatak University, Dharwad for their support during my tenure.

I am very much grateful to University Grants Commission (UGC), New Delhi, for providing Research Fellowship through research grant under UPE FAR-II for the financial support during my research.

My special regards to my teachers because of whose teaching motivated me at different stages of my education. I acknowledge Shri S. M. Katapur, Dr. R. Christopher, Kittel Science College, Dharwad and Dr. Padmanabha Reddy, Vijayanagara Sri Krishnadevaraya University, Bellary for their encouragement.

I take the privilege to thank all my research colleagues Vinayak V. M., Ashwini S. Y., Gouramma A. G., Nandeesh K. C., and Mahadevappa G., for their co-operation and support.

A special mention of thanks to my friends, Ataulla B., Sharath P., Sachin H., Raju C., Harish B., Veeranna M., Kiran M., Maribasava M., Shankargouda P., Vinayak K., Shashank S., Mahesh S., Basavaraj G., Manjunath P., Sharan M., Gururaj G., and Mallikarjun H., for always standing by my side and sharing a great relationship as compassionate friends. I will always cherish the warmth shown by them.

Finally, I wish to acknowledge an everlasting debt of gratitude to most important people in my life, my Family members and relatives specially my mother Shanta B. JummannaVer, father Basavaraj M. JummannaVer, brother Girish B. JummannaVer, sisters Sudha S. P., and Kavita B. I., who supported my carrier in all the circumstances. Thanks for their love, patience and moral support, which formed part of my vision and taught me the good things that really matters in my life.

Without the grace of Almighty this work would not be fruitful. Lastly, I thank all those who helped me directly and indirectly in the preparation of this thesis.

Raju B. JummannaVer
