ACKNOWLEDGEMENTS

I would like to thank a number of people who, so generously contributed to my research work in many different ways.

To commence with, I pay my obeisance to GOD, the almighty to have bestowed upon me good health, courage, inspiration, zeal and the light. After GOD, I express my sincere and deepest gratitude to my supervisor, Prof. (Dr.) Ravikant Chaubey, Professor Department of Law, University of Allahabad, Allahabad who ploughed through several preliminary versions of my text, making critical suggestions and posing challenging questions. His expertise, invaluable guidance, constant encouragement, affectionate attitude, understanding, patience and healthy criticism added considerably to my experience.
