ACKNOWLEDGEMENT

I would like to express my heartiest thanks to my Research Supervisor Dr. R.M.S. Parvathi, Principal and Professor, Department of Computer Science & Engineering, Sengunthar College of Engineering, Tiruchengode for her valuable guidance and co-operation during the course of my Research work. Her patience and constructive suggestions have been a great help in pursuing this work and bringing it to this final shape.

I specially thank Vidhya Rathna Dr. M. Karunanidhi, Chairman & Secretary, Vivekanandha Educational Institutions and Dr. V. Subramania Bharathi, Principal, Vivekanandha Institute of Engineering and Technology for Women, Tiruchengode who have been instrumental in providing necessary facilities for the successful completion of this research work.

For the vital success of the research, my sincere and deep sense of gratitude to my Doctoral committee members Dr. N. Devarajan, Professor, Department of Electrical and Electronics Engineering, Government College of Technology, Coimbatore and Dr. V. Manikandan, Associate Professor, Department of Electrical and Electronics Engineering, Coimbatore Institute of Technology, Coimbatore for their timely advice and constant support throughout this research work.

My sincere and heartfelt thanks to my beloved and lovable parents, wife and sisters for their constant encouragement and sacrifice of their precious time which allowed me to do my research work successfully.

I thank the Almighty for having given me the opportunity, strength and determination to enhance myself for the development of my family, institution and my country. Finally, I thank all of my friends who have helped me directly and indirectly for the successful completion of this research work.

BHOOPATHY V
