ACKNOWLEDGEMENT

While presenting this work, it gives me a pleasure to express my deep sense to my guide Prof. (Dr.) Mridula Bhadauria under whose most precious supervision, the present research work has been taken shape. I am extremely obliged and paying my heartiest gratitude to her as without her valuable guidance and heartfelt support, I could not have completed this work successfully.

I am grateful and would also like to extend my gratitude to the teachers of the higher education institutions included who were the sample of the study for their nice cooperation in collecting the required data. In addition I would like to thank my friends, and colleagues who helped me in data collection and also for their various types of support given to me time to time during the study.

I would also like to extend my immense gratitude to my husband, parents in law and family members for their love, untiring support and consistent encouragement during the study and also to my lovely little daughter whose smile make me in high spirit during the study.

Finally, while presenting this research work, I take this opportunity to express my deep heartedly gratitude to my late father Mr. Shyam Kishore Tripathi and to my late uncle in law Mr. Manoj Trivedi whose vision always inspired me to achieve this noble ideal of life.
