Acknowledgement

I take this opportunity to express my deepest regard to Dr. M.S. Samuel, Research Guide, St. Thomas College, Pala and presently the Director, Department of Computer Applications, Mar Athanasios College for Advanced Studies, Tiruvalla for his inspiring guidance, constant encouragement and valuable suggestions during the preparation of the thesis.

I am highly indebted to Mrs. Achamma George (Late) Manager, B.A.M. College, Thuruthicad for having granted study leave to undergo the Ph.D Degree programme of the Mahatma Gandhi University, Kottayam.

I am also grateful to the Principal, teaching and non-teaching staff of St. Thomas College, Pala for all the help received.

I express my deep sense of gratitude to the Principal of our college, my colleagues for encouraging me and giving me creative suggestions and timely advice.

I am also thankful to my loving parents, especially to my father Sri. M.M. George (Late), my wife Dr. Jasy Thomas, daughters Neema and Nimya for their support and inspiration.

I wish to thank the University Grants Commission and Director of College Development Council Mahatma Gandhi University, Kottayam, for having permitted me to do the Ph. D Degree course with full financial support under FIP of UGC.

My grateful thanks are due to Mrs. Bindhu, M/s. Creative for typing the manuscript creditably well.

Finally, but the foremost, I thank our Lord GOD almighty, who is our beacon of light, our unseen guide and helper. All our efforts would have been futile without His abundant grace that has supplemented me with right guidance, strength and courage to move on.

Mathews M. George
