

Acknowledgement

With all Reverence to God Almighty, an attitude of gratitude to Dr.K.Indulekha, my Supervising teacher who encouraged, inspired and challenged me throughout the course of this work.

With immense pleasure, I acknowledge gratitude to my guiding light, pillar of strength and source of energy Dr. C. S. Menon, Professor, Former Dean & Director, School of Pure and Applied Physics, for his vital encouragement, support, constructive criticism and also providing essentials for the fruitful completion of this work.

My sincere gratitude to Dr. C.Venugopal, Director, School of Pure and Applied Physics, for providing the facilities.

I warmly thank Mr. Sreejith K. Pisharady for his valuable advice, unconditional assistance and friendly help.

I am ever grateful to Dr. Gopinathan T. G., Dr. Mammen Samuel, Dr. K. R. Rajesh, Dr. Thresiamma Philip and Mr. Santhosh K. Potharay for their constant reminders and much needed appreciation.

I owe my most sincere gratitude to University library staffs, Administrative and Technical staffs of School of Pure and Applied Physics for their personal technical support.

I wish to extend my warmest thanks to all those who have helped me with my work in SPAP.

I thank the Management, Principal and friends of Assumption for their motivating presence and help rendered.

Most specially, my gratitude to my family members for their prayers and selfless support during the period of this work.

“Thank my Lord who made all things possible”
