ACKNOWLEDGEMENT

First and foremost, I thank God Almighty for the immeasurable mercies He showered upon me during the period of study by granting me the health and strength to carry out the work.

I extend my sincere gratitude to my guide Dr. S. Godwin Wesley, Formerly Associate Professor, Department of Zoology and Research Centre, Scott Christian College (Autonomous), Nagercoil for his constant encouragement and expert guidance throughout the study. He solved the many problems I faced during my research and showed me the right path whenever I had to take difficult decisions.

I am indebted to Dr. M. Kanagappan, Head, Department of Zoology and Research Centre, Scott Christian College (Autonomous), Nagercoil for providing me the necessary facilities in the laboratory. My sincere thanks are due to Dr. S. Prasanna Kumar and Dr. S. Sam Manohar Das, both former Heads of the Department of Zoology and Research Centre for helping me in many ways during my research.

I am grateful to Dr. M. Edwin Gnanadhas, Principal, Scott Christian College (Autonomous), Nagercoil for extending me all the facilities in the college necessary for my unhindered research.

I am indebted to Mr. B. Vijayakumar Nair, Head, Environment Survey Laboratory, Health Physics Division, Kudankulam Nuclear Power Project, Kudankulam, for extending the laboratory facilities to me for carrying out the
research. Mr. Thomas George, Mr. Sunderarajan, Mr. Balamurugan, Mrs. Tamilselvi Environmental Survey Laboratory, for helping me out in the finer technical details of this research.

Many of my friends and seniors have been constantly encouraging me throughout this journey: Dr. M. Feroz Khan, Dr. E. Mahiban Ross, Dr. Y. Lenin Raj, Dr. S. Jeeva, Dr. S. Kiruba, Dr. S. Satheesh and Dr. A. Anand Jeya Kumar, Mr. S.R. Sunith Shine, Mr. A.V. Ajikumar, Mr. D. Aneesh, Mr. Jeben Benjamin, Mr. R. Bright, Dr. V.T. Noble Singh, Dr. S. Anitha, Dr. P.P. Vanathi Devi, Ms. Adline Anita, Ms. Anita Merit, all associated with Scott Christian College, Nagercoil.

I thank the Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy, Government of India, for their financial assistance to carry out this study.

There are many others without whom this thesis would never have been brought to fruition. They are the fisher friends, especially from Panchal, who toiled hard to get the many marine samples for the study.

Finally, I also extend my thanks to the members of my family who had been a source of encouragement throughout the period of study.
