

ACKNOWLEDGEMENT

I am deeply indebted to my guide and supervising teacher, **Dr.K.K.Janardhanan**, Professor, Amala Cancer Research Centre, Amala Nagar, Thrissur, for the guidance and constant encouragement that helped to bring out the best in me and provided all support in whatever things I ventured into without any prejudices. I am always grateful for the delightful patience and all valuable suggestions and advice given by him.

I am cordially obliged to **Dr.C.K.K.Nair**, Professor, Amala Cancer Research Centre, Amala Nagar, Thrissur for giving suitable suggestions, thought provoking ideas and making all arrangements for my work and stay at Bhabha Atomic Research Centre, Anusakthi Nagar, Mumbai, when he was heading the Radiation Biochemistry section in Radiation and Health Science Division. I have no words to express my gratitude for the parental care and his never say die attitude.

I sincerely acknowledge **Dr.Ramadasan Kuttan**, Director, Amala Cancer Research Centre, Amala Nagar, Thrissur for providing necessary facilities during the course of my work.

I am grateful to **Rev.Fr.Pius**, Managing Director, Amala Cancer Hospital and Research Centre, Amala Nagar, Thrissur, for permitting to carry out research work leading to Doctorate Degree at this research centre and to **Rev.Fr.Gabriel** and **Fr.Walter Thelappilly** for their blessings.

I am thankful to **Dr.K.P.Mishra**, Head, Radiation Biology and Health Science Division, Bhabha Atomic Research Centre, Anusakthi Nagar, Mumbai, for permitting me to get training at Radiation Biochemistry Division.

I am extremely privileged to be associated with **Dr.K.V.Sankaran**, Scientist E II, Kerala Forest Research Institute, Peechi, Thrissur who always provided a helping hand and the morale boosting words helped me to overcome many a dispiriting moment. A scientist in all sense of word; he shall always remain my inspiration. His gentle nature is inimitable.

Words are hard to find when heart is too full to speak. I am at loss of words to express my deep sense of gratitude to **Dr.A.P.J.Abdulkalam**, former President of India, who gifted me a personal computer, which made all my work easier.

I like to express my gratitude to **Dr.P.Uma Devi**, Professor, Head, Jawaharlal Nehru Cancer Hospital and Research Centre, Idgah Hills, Bhopal for helping me to learn the technique of chromosomal aberrations and making necessary arrangements for my stay during the training period. Her exuberance and able guidance always need appreciation.

I am thankful to **Dr.Girija Kuttan**, **Dr.Jose Padikkala** and **Dr.C.I.Jolly**, Professors of Amala Cancer Research Centre for all the timely advice and support during the course of my work.

No words or deeds are sufficient to express my gratitude to **Dr.Veena P.Salvi**, **Dr.Dharmendra Kumar Maurya** and **Dr.Nitin M Gandhi**, Radiation and Health Science Division, Radiation Biochemistry, Bhabha Atomic research Centre, Mumbai, for their keen interest, pleasant cooperation and spending their time for helping in my work.

I am deeply obliged to **Dr.K.Vijayan**, Professor, Department of Chemistry, University of Calicut, Malappuram and **Dr.Abraham Joseph**, Reader, Department of Chemistry, University of Calicut, Malappuram for giving suitable suggestions in the characterization part of my work.

I like to thank **Dr.T.A.Ajith**, Associate Professor, Amala Institute of Medical Sciences for all the suggestions, help and advice during the course of my work.

I am grateful to my colleagues **Dr. Lakshmi B**, **Mr. Mathew John**, **Miss.Smina T.P**, **Miss.Soniamol Joseph**, **Mrs.Jini Joseph**, **Mr.Sudhish Panicker** and **Mr.Rony Antony** for their immense help during the completion of my work. I am also grateful to **Mrs.Meera C.R** and **Miss.Nitha B** and all other friends of Amala Cancer Research Centre.

I am thankful to **Miss. Thankamma**, Animal House care taker for her help in the animal house and I also like to thank all other staffs of Amala Cancer Research Centre.

I like to express my sincere gratitude to the **Radiation Unit** of Amala Cancer Hospital and research centre for their cooperation and help during the course of my study.

I express my thanks to my friends shylesh, Binoj, Jeyashree and Sreekumar at Radiation Biology and Health Science Division, Bhabha Atomic Research Centre, Anusakthi Nagar, Mumbai for their help and cooperation.

I am grateful to my friends **Kanika Nandchahal, Jaya Bharve, Indu Thakur, Ashish Soni** and **Shradha Rusia** of Jawaharlal Nehru Cancer Hospital and Research Centre, Bhopal for their help and cooperation.

I express my sincere thanks to **Dr.V.P.Gopinathan**, Sudharma Laboratory, Thrissur for extending the photographic facilities in connection with the histopathological work.

The love and affection showered on me by my mother, sister, all my family members and in laws have indeed been the elixir of my life for me. I am deeply moved by the patience, care and unstinted support rendered by my husband **Mr.A.K.Ramesh** which made this endeavor a success.
