ACKNOWLEDGEMENTS

While preparing this page, numerous memories rush in my mind, which are full of gratitude to those who encouraged, helped me at various stages to this academic endeavour. It is my pleasure to record these feelings of gratitude.

I am deeply grateful to Dr. Deshabhushan B. Bastawade, Zoological Survey of India, WRS, Akurdi, Pune-44, for his able guidance, affection and consistent encouragement, because of which only I have reached to this stage. It is my privilege that, I had the opportunity to work under the able guidance of such a perfectionist. His ever inspiring guidance boosted my morals in moments of disappointments were the most important factors leading to the completion of this thesis. I would ever remember the valuable moments spent with him.

It is my esteemed pleasure to acknowledge Prof. Ramkrishna More College, Akurdi, Pune, where I have been working as a lecturer for the last five years. The only college nurtured my research interest and helped me to pursue it from time to time.

I acknowledge my sincere thanks to respected Principal R. M. Misal, Dr. K. R. Chaudhari, Dr. A.J.Khandagle, Prof. R. V. Kshirsagar and all other staff members from Prof. Ramkrishna More College who offered every possible support and inspiration to me to pursue my research work.

I am thankful to Dr. Anil S. Mahabal, Scientist- E and Officer-In-Charge, Zoological Survey of India, WRS, Pune, for his generous help in providing laboratory and library facilities throughout the period of work.

I have great pleasure in expressing my deep sense of gratitude to Dr. H.V. Ghate, Head, Department of Zoology, Modern college, Pune 411005, for affectionate encouragement and his critical suggestions during necessary discussions and histological slides preparation.

My sincere thanks are also to Dr. Dipti Devbagkar, Prof and Head, Department of Zoology, University of Pune and her staff members for their guidance and encouragement during the period of investigation.

I am grateful to Dr. M. S. Pradhan, Dr. R. H. Kamble, Dr. P. K. Kulkarni, Dr. S. G. Patil, Dr. B. E. Yadav, Dr. S. S. Talmale and staff of Zoological Survey of India, WRS, Akurdi, Pune - 44 for their guidance, suggestions and encouragement during the tenure of this work.
I extend my sincere thanks to Dr. Sanjay S. Kharat, Principal, Modern College Ganeshkhind, Pune-7 for his instant inspiration throughout the period of investigation, Dr. Vijay Satav, Pune for his technical assistance in developing histological techniques and Dr. Avinash Pradhan, K. E. M. hospital Pune, for photography. I would like to thank Mr P. W. Garde for his technical assistance in final preparation of camera lucida diagrams.

Thanks are due to Mrs. S.S. Takalkar and her staff, Ph.D. section, University of Pune, for their administrative help during the period of research work.

I could make extensive use of the library facilities of University of Pune, Agharkar Institute Pune, and Zoological Survey of India, WRS Akurdi Pune -44. I am thankful to all the concern of above university and Institutes.

I am thankful to my research colleague Mr. N. P. I. Das, my friend Mr. Shashikant Kutal and my students who generously helped me during study.

I gratefully acknowledge the wholehearted support of my father Mr. Vitthalrao Giramkar and Mother Mrs. Parigabai Giramkar, wife Ujwala and other family members, for their affection and encouragement and for making tremendous sacrifices to enable me to complete this task. I must acknowledge my son Nikhil for understanding and patience as I was engaged in this work; I am closing my few words by giving Glory to almighty God.

Place: - Pune
Date: May 2008.
