TABLE OF CONTENTS

1. Introduction 2
   1.1. Research Questions 6
   1.2. Objectives of the Study 9
   1.3. Theoretical background 11
   1.4. Propositions 20
   1.5. Contribution of the study 22
   1.6. Operational definitions 22
   1.7. Organisation of the thesis 25

2. Review of Literature 28
   2.1 Introduction 28
   2.2 Tourism product life cycle models 29
   2.3 Application of life cycle models 37
   2.4 Indicators of life cycle stages 43
      2.4.1 Attitude of residents as an indicator 58
      2.4.2 Tourist satisfaction as an indicator 65
      2.4.3 Environment related indicators 68
      2.4.4 Economic indicators 71
      2.4.5 Analytical tools in tourism studies 73
   2.5 Linkage with the present research problem 74

3. Research Methodology 79
   3.1 Introduction 79
   3.2 Design of the study 79
   3.3 Descriptions of the tasks 82
      3.3.1 Exploratory research on Tourism Product Life Cycle 82
      3.3.2 Generate a list of variables that influence the tourism product life cycle 82
      3.3.3 Identify factors that influence tourism product life cycle with particular reference to the tourism brands in Kerala 82
      3.3.4 Analysis of Kerala Tourism with the objective of selecting tourism brands for detailed study 88
      3.3.5 Assessment of data requirements and availability, and collection of secondary data 96
