

Acknowledgement

I take the privilege in expressing my deep sense of gratitude and indebtedness to my guide Dr. Hridip Kumar Sarma, Assistant Professor, Department of Biotechnology, Gauhati University for his valuable suggestions, worthy guidance which served as a constant source of inspiration throughout the course of this study.

I convey my regards to Prof. Probodh Borah, Head of The Department of Animal Biotechnology, CVSc, AAU & Coordinator of DBT-sponsored Advanced State Biotech Hub, Assam, for being a source of encouragement and inspiration and providing me scholarly guidance throughout the period of this study. I would also thank him for providing the best infrastructure and the facilities for my research work.

I also express my gratitude to Dr. Arun Kumar Handique, Head of the Department of Biotechnology, Gauhati University, for permitting me to utilize the facilities of the department and for logistic support. I also thank all the faculty members of the department Biotechnology, Gauhati University for their encouragement and support.

I also express my esteemed and profound sense of gratitude to Dr. Dipak Deka, Assistant Scientist, School of Biotechnology, GADVASU, Ludhiana, without whose excellent unstinted help, accomplishment of this work would not have been possible.

I thankfully acknowledge the Department of Biotechnology, Government of India, for providing financial help to carry out my research work under the project entitled, 'DBT-sponsored Advanced State Biotech Hub, Assam'.

My sincere regards to the faculty members of Dept. of Animal Biotechnology, Dept. of Microbiology, and Dept. of Animal Biochemistry, CVSc, AAU; Dr. Luit Moni Barkalita, Dr. Deep Prakash Saikia, Dr. Luku Moni Buragohain, Dr. Rajeev Sharma, Dr. Pankaj Deka, Dr. Durlav Prasad Bora and Dr. Shantanu Tamuly for their ever willing help and conductive advice throughout the course of study.

I offer my sincere thanks to my labmates and friends in the department, Naba Kumar Deka, Girin Hazarika, Rupam Dutta, Md. Iftikar Hussain, Dipikia Malakar, Leena Das, Siddharth Kalita, Bhaskar Chakraborty, Manas Sarkar, Purabi Deka, Anamika Gogoi, Sagarika Tamuly for their support as co-workers. I also endorse the assistance of Girish Das and Dipak Das in the laboratory.

I would not have contemplated this road without my parents and my two elder sisters who instilled within me a love of creative pursuits, science and language, all of which finds a place in this thesis. To my parents, thank you. I owe everything to them.

Last but not the least, I would like to express my deepest sense of gratitude to one and all, who directly or indirectly instigated and enlightened me with their knowledge and experience during the course of this study. All may not be mentioned but none is forgotten.
